

Home Stuff

or otherwise

A wet rain, fine for wheat and don't hurt anything else. Papa Dan Sanders trying to teach his daughter to behave after a visit to the grandparents' home. "The rain was a surprise, and a happy surprise," says Henry Myers. Business Girls Club entertained their bosses last night. Guess it must have been a "raising" party. All business houses pleased with the Trades Day. Rain and all. Albert Terry out again after two weeks' illness. S. J. Burrus will make three-quarters of a bale of cotton to acre. Another record for Randall county. Randall county only one of four in the state reported with excellent crop conditions. And no joke about it. Joe Gamble pleased with conditions, and the cattle business. Canyon folks getting ready to entertain a lot of "Home Comers." Let's give them a feel good hand. And beat Daniel Baker Saturday. After the Eagles whip Hereford Friday. Would make a happy week ending. Palo Duro Post getting ready for Armistice Day. It's the ex-soldiers' one real day of rejoicing.

Will the stock pens go, or will they remain in the east end of town? That is the question puzzling W. A. Warren and directors of the Chamber of Commerce.

Canyon has been trying for twenty years to get the stock pens removed from under the nose of the College. Time and again movements have started and met with some obstacle. This time it seems that the sailing would be clear, provided the city could finance a park, or a few more men interested in buying an interest in the tract of land.

Nine men have agreed to go in \$1,000 each to take over the tract of land. That leaves \$4,000 to be cared for. Who is going to step into the gap and save the day for removal of the pens?

It is figured that if the movement fails this time, the stock pens will remain a long time on the present site, and become more and more a menace to the beautiful development of the city.

The city park seemed to offer a solution. With the city taking a block in the middle of that tract, a park would be provided in a very desirable location, and at a price much less than could be bought in any other convenient part of town. There are many clubs in Canyon which would enter into the park program, and assist very materially in developing a city park, just as the good women of Hereford have developed all of the pretty little parks of that enterprising city.

Ten or twenty years from now Canyon will probably wonder why it was that no park was provided at this opportune time, should the present plan fail in development. It is hoped that a way will be found out to finance the removal of the stock pens, and at the same time provide a site for a city park.

Mrs. L. T. Lester is out from a long and serious illness. She was down town Monday, and made a pleasant call at the News office. Her many friends are highly pleased to see Mrs. Lester out once more.

It is a compliment to live in a law abiding county. Even duck hunters, on the opening day of the season, carefully avoid shooting before the legal hour.

Col. J. W. McCreery had to postpone the Adolf Wrubel sale Tuesday until next Wednesday. He says he always goes ahead with a sale after it has been postponed once, even though the weather should be worse on the second date than on the original one.

The News force starts to print tomorrow morning the big special edition, which we have been talking about. We hope that you will like the edition. Several thousand extra copies of next week's edition will be printed. Make up a list of friends whom you would like to interest in Randall county and send them copies of the News. This will be worth while.

UPCHURCH HOME

County Agent H. W. Upchurch returned Tuesday from Dallas where he had charge of the exhibit of the Panhandle-Plains, Inc. This exhibit was the best ever assembled from West Texas and created much favorable comment at the Dallas Fair.

TRADES DAY IS BEST ONE YET FOR THE YEAR

LARGER NUMBER OF FARMERS THAN USUAL HERE MONDAY.

Great Interest in Trades Day is Shown Monday in Spite of Rain and Muddy Roads.

Trades Day ran true to the prediction of the committee in charge when it was promised to be the best Trades Day of the year. In spite of the rain of Sunday night, followed by the cool weather Monday there was a good crowd in town, and brisk buying is reported in all the business houses.

There was a good crowd at the auction sale, and prices paid were very good. It is hoped that more farmers will bring something to put up at auction at the November Trades Day on the 25th.

The College Band gave a short program just after noon which was greatly enjoyed.

Gayle Campbell was the boy who succeeded in climbing the greasy pole after several had attempted it.

Mrs. J. A. Reed won the \$2.00 prize offered by the Canyon Grocery.

George Johnson drove in the car showing the greatest mileage and received the prize from Miller-Lybrand Co.

E. C. Drummond drew the billy goat offered to the boys by Miller-Lybrand Co.

Miss Ruby James received the \$5.00 in groceries offered by the "M" System.

Mrs. Frank Shotwell was winner of the \$5.00 groceries offered by the Buffalo.

Mrs. C. L. Neeley won the prize offered by Thompson Hardware Company.

The following were the subscription prizes given away by the News:

Person coming the farthest distance—Mrs. J. T. McGehee, Way-side, 34 miles.

Woman raising the largest number of turkeys—Mrs. W. R. Stockett, Happy, 91.

Oldest person to register—J. H. Whitman, 81 years.

Oldest copy of the News brought in—T. A. Dowlen, issue of Jan. 20, 1911. The leading articles told of the death of John Hutson on the Saturday previous; and the dedication of the first college building set for March 4.

Largest amount of butter produced—Mrs. J. I. Ballengee, 246 pounds in seven months from one cow.

Youngest person to register—Mabel Spiser, 9 months old.

The \$5 prize given by the City Market for the best bushel of turnips was won by S. D. Black.

The \$5 merchandise prize given by the Canyon Supply for the oldest Stetson hat brought in was won by W. F. Heller with a hat he has owned and worn since 1903.

The \$5 merchandise prize for the oldest pair of Peters shoes brought in was won by Joe Tueck with a pair which he has worn since May 1927. This was given by the Peoples Store.

The case of tomatoes which was given for the dozen heaviest eggs was divided between J. F. Love, L. C. Roberts, and Mrs. J. B. Lyne who tied. Each brought in a dozen eggs weighing 29 ounces.

The case of tomatoes which was given for the dozen heaviest eggs was divided between J. F. Love, L. C. Roberts, and Mrs. J. B. Lyne who tied. Each brought in a dozen eggs weighing 29 ounces.

American Legion to Be Headed by Knighton For Coming Year

New officers of the American Legion were named last week for the Palo Duro Post at the meeting of the ex-service men on Tuesday of last week as follows:

T. H. Knighton, Commander.
J. L. Oliver, Vice Commander.
H. O. Price, Adjutant.
G. A. Farlow, Finance Officer.
F. R. Phillips, Chaplain.
R. B. Davis, Master of Arms.
R. E. Harter, Historian.
H. A. Brown, J. W. Kleinschmidt, J. M. Daugherty, executive committee.

Western Union Will Open Office Down Town

Workmen are here to open the down town office of the Western Union in the Bradford building north of the "M" System. A three year lease has been taken on this office.

R. McGee states that the office will be ready for operation about the first of December. He is mighty glad to have the Western Union removed from the depot, as the telegraph work has greatly interfered with the work of the force in handling the Santa Fe's business.

Ex-Students to Be in Program at Home Coming Saturday

President J. A. Hill and Olin E. Hinkle, editor of the Pampa Daily News will be principal speakers at the Home Coming Assembly which will be held at the College at eleven Saturday morning.

Mr. Hinkle will represent the Ex-Students Association of the College. He is president of the organization and Miss Anna I. Hibbets is secretary.

A very large number of exes are expected in Canyon for the day and towns people are invited to attend the assembly in the forenoon and to see the parade before the game in the afternoon. The parade will start from the campus, pass down fourth avenue to the square, thence to Buffalo Park where the floats will be stationed at either end of the field. Every organization of the college will be represented in the parade.

Saturday night, the resident Ex-students of the College will give a play "The Bath Room Door," in honor of visitors. Along with this will be a Follies program with many interesting features. Townspeople, students and visitors are urged to enjoy this together. The price is fifty cents.

Another feature of the Home Coming will be the annual banquet of the Red Men. This will be at Cousins Hall at 7:30 and visiting members of the tribe and their friends are invited to attend.

Cars Wanted Friday to Take Canyon Hi Eagles to Hereford

The biggest football game of the season so far as the Canyon Eagles is concerned will be played at Hereford tomorrow afternoon. A large percent of the high school students will attend the game if transportation is obtained.

Those who will go to the game and take a car load of students are asked to do so, and to call the high school to let the teachers know how many they will be able to take to the game.

City Park Project Under Consideration

The city commission has been able to make no definite answer to the proposal of last week by the Chamber of Commerce on the plan for a city park. The commission spent several hours considering the matter, but took no vote on the project.

As reported last week in the News, the Chamber of Commerce has a proposal for the removal of the stock pens which calls for an expenditure of \$13,000. Nine men have agreed to assume \$1,000 each, provided the city commission take one block of the land for a city park.

Under the option with Mrs. Conner, the Chamber of Commerce has a month yet in which to close the deal. Mr. Warren hopes that something will be done at once, as this is the first time in twenty years that a definite proposal has been made, and it is likely that the stock pens will remain in the east part of town for a long while if not moved at this time.

Ready For Keiser Sale First of Week

The sales barn is ready for the Keiser dispersion sale Monday and Tuesday of next week, states O. W. H. Cook, manager of the Keiser Estate.

It is estimated that a large number of buyers from over the Southwest will be present when the entire herd of Keiser's registered Herefords will be sold at auction.

HILL TO HASKELL

President J. A. Hill left Tuesday for Haskell where he will lecture at the teachers institute. He will address a number of high schools while away, returning Saturday morning.

MARRIAGE LICENSES

J. A. Ellis and Mrs. Mae Richter, Oct. 28.

Diamonds and Wedding Rings.

E. Burroughs.

Help Keep Canyon Clean!

HAVE YOU BEEN BOTHERED

By Receiving An Unordered Box of Christmas Cards Thru the Mail? Many people in this vicinity have received such boxes through the mail with a request for \$1 in payment for them.

The following quotation from a bulletin issued by the Better Business Bureau gives a line on the true values sometimes represented by these cards and outlines your rights in handling them:

"Several packages of these unordered cards, which the senders claimed to be \$1.50 values for \$1.00, disclosed the average replacement price to be approximately 50 cents."

"You do not have to pay for these cards. You don't have to return them. Just put them aside. If an authorized agent calls for them you may give them to him. If he does not call within a reasonable length of time you may charge storage for the bother you've been put to in keeping them."

IN BUYING CHRISTMAS CARDS A GOOD RULE TO FOLLOW IS TO PATRONIZE YOUR REGULAR ESTABLISHED DEALER AND PLAY SAFE.

WILL INSPECT PALO DURO FOR A STATE PARK

STATE OFFICERS WILL VISIT CANYON WEDNESDAY.

Program Held Here at 6:00 O'clock Wednesday and Inspection of the Canyon on Thursday.

The Texas Good-Will Motorcade Tour will arrive in Canyon on next Wednesday evening at 6:30 o'clock, after starting from San Antonio on Tuesday morning. Practically every town along the way will be visited and addresses made by members of the party. D. E. Colp of San Antonio, chairman of the Texas State Parks Board, is head of the party.

D. A. Shirley and Tom Knighton have charge of the program which will be given in Canyon upon the arrival of the motorcade. Word has not been heard definitely as to the kind of program which will be put on here, but it is hoped that a large number of Canyon people will greet the visitors upon their arrival in Canyon.

The Palo Duro Post, with Tom Knighton as Commander, will play a prominent part in the reception of the visitors. State Commander Ernest C. Cox will be a member of the party, and wishes to meet all ex-service men in the city. The Chamber of Commerce, Rotary Club and other organizations are asked to co-operate in the reception of the visitors.

The Palo Duro canyon will be inspected on Thursday by the party, which will spend the night in Amarillo. It is planned that Canyon join Amarillo in showing the visitors the Palo Duro canyon, and lunch will be furnished by the two towns for the visitors at the canyons.

Among those who will be included in the party, according to present plans, are: Ernest C. Cox, state Legion commander; R. O. Whitaker, state Legion adjutant; R. L. Bobbitt, state attorney-general; W. R. Ely of Abilene, member of the State Highway Commission; P. S. Robinson, county judge of San Antonio; Dr. I. E. Gates, pastor of First Baptist church, San Antonio; State Senators W. A. Williamson, of San Antonio, and Joe M. Moore, of Greenville; and possibly U. S. Senators Morris Sheppard and Tom Connally. Also, R. S. Sterling, chairman of the State Highway Commission, will be in the party if he can possibly arrange his schedule to allow it, Mr. Colp said.

Ex-Service Men Will Be Entertained Friday

Invitation has been extended to all ex-service men in Randall county to meet with members of the Palo Duro Post at the Company F armory Friday night at 7:30 o'clock for the annual feed for ex-service men.

Post Commander Tom Knighton states that the Post has attempted to reach every ex-service man with a personal invitation, but should any have been missed, they are urged to be present. Plans for future work will be made at that time.

Mrs. Oscar Hunt Has Fine Buff Orpingtons

Mrs. Oscar Hunt brought to the News office Monday a fine specimen of egg from her Buff Orpingtons. She has one of the best flocks, if not the best in the Panhandle, having won seven premiums with the seven birds she entered at the Tri-State Fair. She paid \$4.00 each for eggs for the breeding stock, and was offered \$5 for the three best cockerels in her flock.

Mrs. Hunt states that she selected a good laying strain for her flock and is convinced this breed of chickens is highly profitable.

Red Cross Roll Call Will Open on Armistice Day

Roll Call, the annual Red Cross membership enrollment, will take place between Armistice Day and Thanksgiving in Randall County. Dr. D. M. Stewart, chairman of Randall Chapter of the organization said yesterday. Dr. Stewart explained that the Roll Call period was established a number of years ago and has been successfully employed ever since by 3,500 Red Cross chapters at the time devoted to giving every citizen the opportunity to join.

"The Red Cross is a membership organization," he states, "and it is the obligation of the Randall County Chapter to make it possible for everyone to participate personally in the various services which have become a part of our national life. Foremost among these services is the Health Program which is soon to start in Canyon and Randall County. Health activities, notably first aid, life saving and nutrition, will soon be established, and our local Red Cross hopes to finance the program."

This maintenance and expansion depend upon memberships received during Roll Call. Red Cross memberships are: Annual, \$1.00; contributing, \$5.00; sustaining, \$10.00; and supporting, \$25.00. Only 50¢ of each of these will leave our own County to support work done by all chapters together under the general direction of the Central Committee of the National Organization.

Secretaries of Chambers of Commerce in the Panhandle will hold an important meeting in Amarillo Saturday, and the group was invited Tuesday to attend the Homecoming football game at Buffalo Field following the meeting in Amarillo. Oscar W. Gano and R. A. Terrill will attend the meeting in Amarillo. It is planned to entertain the secretaries here within a short while in order that they may have a better understanding of the College.

W. A. Warren states that most of the secretaries attended the West Texas Chamber of Commerce meeting held at El Paso. This meeting was the best convention ever held by the association. It was a thoroughly business session, with no foolishness. The secretaries Saturday will discuss the primary needs of the Panhandle division of the West Texas Chamber of Commerce.

Wallace R. Clark, director of the West Texas Chamber of Commerce, states that the organization is now a real business organization. The business sessions were well attended, and the members earnest in their efforts to do something worth while for West Texas. It was the most enthusiastic and business like meeting he ever attended, and a real progressive program was adopted.

Mr. Clark states that W. B. Hamilton, the new president, is one of the real builders of West Texas. He is a big business man, and knows the past difficulties which confronted the organization. The legislative program adopted includes education, land titles and highways. A legislative bureau will be established at Austin for the purpose of putting over these measures.

The funds for the organization will be raised through the local Chambers of Commerce instead of through field workers.

Red Cross Roll Call Will Open on Armistice Day

Roll Call, the annual Red Cross membership enrollment, will take place between Armistice Day and Thanksgiving in Randall County. Dr. D. M. Stewart, chairman of Randall Chapter of the organization said yesterday. Dr. Stewart explained that the Roll Call period was established a number of years ago and has been successfully employed ever since by 3,500 Red Cross chapters at the time devoted to giving every citizen the opportunity to join.

"The Red Cross is a membership organization," he states, "and it is the obligation of the Randall County Chapter to make it possible for everyone to participate personally in the various services which have become a part of our national life. Foremost among these services is the Health Program which is soon to start in Canyon and Randall County. Health activities, notably first aid, life saving and nutrition, will soon be established, and our local Red Cross hopes to finance the program."

This maintenance and expansion depend upon memberships received during Roll Call. Red Cross memberships are: Annual, \$1.00; contributing, \$5.00; sustaining, \$10.00; and supporting, \$25.00. Only 50¢ of each of these will leave our own County to support work done by all chapters together under the general direction of the Central Committee of the National Organization.

Secretary Group Invited Saturday for Football Game

Secretaries of Chambers of Commerce in the Panhandle will hold an important meeting in Amarillo Saturday, and the group was invited Tuesday to attend the Homecoming football game at Buffalo Field following the meeting in Amarillo. Oscar W. Gano and R. A. Terrill will attend the meeting in Amarillo. It is planned to entertain the secretaries here within a short while in order that they may have a better understanding of the College.

W. A. Warren states that most of the secretaries attended the West Texas Chamber of Commerce meeting held at El Paso. This meeting was the best convention ever held by the association. It was a thoroughly business session, with no foolishness. The secretaries Saturday will discuss the primary needs of the Panhandle division of the West Texas Chamber of Commerce.

Wallace R. Clark, director of the West Texas Chamber of Commerce, states that the organization is now a real business organization. The business sessions were well attended, and the members earnest in their efforts to do something worth while for West Texas. It was the most enthusiastic and business like meeting he ever attended, and a real progressive program was adopted.

Mr. Clark states that W. B. Hamilton, the new president, is one of the real builders of West Texas. He is a big business man, and knows the past difficulties which confronted the organization. The legislative program adopted includes education, land titles and highways. A legislative bureau will be established at Austin for the purpose of putting over these measures.

The funds for the organization will be raised through the local Chambers of Commerce instead of through field workers.

W. A. Warren pledged \$100 for Canyon to wipe out the deficit, which will be paid out of the local funds.

In discussing the work of the Panhandle-Plains, Inc. at El Paso, there was some discussion of the work alone of this new organization. This was thought unwise at this time, owing to the new prestige thought possible through new life being instilled in the West Texas Chamber of Commerce. The Panhandle division will continue the efforts to foster immigration and industrial development in the campaign of publicity regarding the advantages offered by this section.

Both Mr. Clark and Mr. Warren are confident that the future of both the West Texas Chamber of Commerce and Panhandle-Plains, Inc., is very bright, and that good work will be done by both organizations.

JUNIOR WOMEN'S CLUB

Monday the Junior Woman's Club met in its regular session with the subject, "Cuba," led by Mrs. J. M. Daugherty. There were eight members present.

W. T. Homecoming Plans Near Completion as Great Day Draws Near; Buffs Meet Hill Billies

Thirty Floats Are to Be Entered in Organization Parade Scheduled for Afternoon; Ex-Student Follies to Be Feature of Evening.

Boy Scout Program to Be Resumed in City in Near Future

The Canyon Rotary Club heard about the Boy Scout work in Canyon at the luncheon Tuesday. W. E. Lockhart, who started the movement here nine years ago, believes that it has been the most important work he has ever done for the community. He states that the work will be resumed during the coming few months.

The Rotary Club will entertain the Rotary Annus next Tuesday night at 7:30 o'clock at the regular weekly luncheon. A special program is being prepared for this occasion. Secretary Albert Terry reports that two 100% attendance meetings have been held this month.

Mr. Lockhart called attention to the article of Judge B. F. Fronabarger in last week's issue of the News, and stated that he knew positively that no Boy Scout had been guilty of the thing to which Judge Fronabarger called attention, that is, giving checks on their parents without consent. Mr. Lockhart called attention to the fact that Boston University had just started a course in training Boy Scout leaders, while this course was started in W. T. five years ago.

Mr. Lockhart traced the difficulties of the Scout movement in this section when the area movement begun three years ago, and the failure of the same.

Mr. Lockhart believed that the greatest weakness of the public schools today was the few men teachers in the grades and high schools. The boys need the contact with real men. He would like to see a scout executive employed, and believes with such a leader there would be two troops of at least 64 boys.

Scout craft teaches respect for constituted authority—the home, the school, and the state. It teaches the principals of service, and the boys pledge themselves to keep physically strong, mentally alert and physically clean. Mr. Lockhart hopes that revived interest will be taken in the Scout movement at once.

The executive committee endorsed the Red Cross Roll Call which starts Nov. 11th, and will present the subject to the Club at the next meeting.

Survey on Highway to Start West This Week

A. E. Dyatt, engineer, is preparing to start surveying the new highway west from Canyon to the county line, and hopes to get started this week. He will start at the Deaf Smith county line and work east to Canyon.

Owing to the fact that the highway along the Santa Fe in the west part of the county is only 60 feet wide, and the fact that the Texas Utilities power line runs along the highway, Mr. Dyatt says that a new roadbed will be run north of the present highway. It will be cheaper to build a new roadbed than move the power line back to obtain 40 more feet. When the highway reaches Umbarger, it would be necessary to move four buildings to get 100 feet, therefore the route will be through the north part of that town.

Mr. Dyatt states that no decision has been made as to the location north of Canyon. Owing to the fact that the highway must be 100 feet wide it may go out over the present highway for a few miles, as it will be possible to widen the present road.

Four miles of grading has been completed north of Happy.

CAR DELIVERIES

H. Sudduth, New Ford Sport Coupe.

E. A. Oberst, New Ford Standard Coupe.

W. J. Harlan, New Ford Standard Coupe.

E. I. Boyce, used Ford A. A. Truck.

Marvin Reed, used Ford Tudor.

W. Janssen, used Ford Truck.

Jack Salzman, used Ford Pickup.

Hazel Wineinger, Chevrolet Coach.

C. E. Brown, new Chevrolet Coupe.

Few homecomings for the alumni of West Texas State Teachers College have been looked forward to with as much enthusiasm and received as this homecoming which is about to be staged. Saturday will be the culmination of many months of enthusiastic planning, the fulfilling of glorious expectations, the meeting of hundreds of exes and present students on the campus once more.

In practically every town throughout the Panhandle W. T. exes plan to make the annual trek back to the old stamping ground next Saturday and those who are "carry-on" will be in readiness to receive them back to Alma Mater when the great day arrives.

For the first time in history every organization of the college will have an artistically decorated float in an all college parade. There will be something like thirty floats in the parade. The "hand-wagon" is to lead in this procession. Following it will be the "royal car" (or cars) carrying the administrators of the college. The parade is to start from the campus, go down fourth avenue, around the square, and back to the Buffalo Park. Here the floats will be stationed at the north and south ends of the field. Those who participate are then going to gather in the center of the grid and root for the Buffaloes until the game is ready to start.

Mr. Lockhart who carries off the annual Interscholastic League meets with perfect control is to be master of ceremonies on this occasion. Miss Ruth Cross will act as his assistant.

Every seat in the Buffalo stadium is expected to be filled for the game which the Buffs play with the Daniel Baker Hill Billies in the afternoon. Not so long ago Coach S. D. Burton said when speaking of football history in W. T.: "We won the homecoming game and the exes proclaimed the season a success." That statement alone reveals something of the attitude of the exes as to the importance of the homecoming game. The Buffaloes say that the exes will also proclaim this season a success.

Something of the strength of the Hill Billies may be gathered when it is known that they met the Simmons Cowboys last week and the final score was 15 to 0 in favor of the Cowboys. The Buffs gave the over-confident Cowboys a run for their money last Saturday; so the Hill Billies will be expecting a tough encounter.

In the evening the annual Ex-students Follies will be given in the auditorium of the education building. These Follies have built a reputation which is commendable in the last few years and the announcement that they would be continued was received with enthusiasm. A complete revue of the evening's program will be found elsewhere in this issue of The Prairie.

The annual banquet of the Loyal Order of Red Men will also be held in the evening at Cousins Hall. The hour has been set at 7:30. Members of the tribe, former and present will come with their squaws back to the Happy Hunting Ground, Alma Mater, and again smoke the pipe of peace around the common campfire.

To the last man the college plans to welcome W. T. exes and make the homecoming occasion as happy a one as possible.

Two Inches Rain Followed by Cold and Light Snow

Randall county received a fine rain fall Sunday and Tuesday, amounting to two inches. There was a total of 70 of an inch Sunday, followed by 1.30 inches Tuesday.

The rain could not have fallen better for the ground to receive the full benefit. It was a slow drizzling rain, with every drop soaking into the ground. Wheat farmers are highly elated over the fine moisture, which means that the crop will get a good fall growth.

A light snow accompanied the rain of Tuesday, with a considerable freeze.

R. D. Lowry was taken ill Tuesday night and was taken to the St. Anthony's hospital in Amarillo Wednesday afternoon.

It is a compliment to live in a law abiding county. Even duck hunters, on the opening day of the season, carefully avoided shooting before the legal hour.

Col. J. W. McCrerey had to postpone the Adolf Wrubel sale Tuesday until next Wednesday. He says he always goes ahead with a sale after it has been postponed once, even though the weather should be worse on the second date than on the original one.

The News force starts to print tomorrow morning the big special edition, which we have been talking about. We hope that you will like the edition. Several thousand extra copies of next week's edition will be printed. Make up a list of friends whom you would like to interest in Randall county and send them copies of the News. This will be worth while.

UPCHURCH HOME

County Agent H. W. Upchurch returned Tuesday from Dallas where he had charge of the exhibit of the Panhandle-Plains, Inc. This exhibit was the best ever assembled from West Texas and created much favorable comment at the Dallas Fair.

TRADES DAY IS BEST ONE YET FOR THE YEAR

LARGER NUMBER OF FARMERS THAN USUAL HERE MONDAY.

Great Interest in Trades Day is Shown Monday in Spite of Rain and Muddy Roads.

Trades Day ran true to the prediction of the committee in charge when it was promised to be the best Trades Day of the year. In spite of the rain of Sunday night, followed by the cool weather Monday there was a good crowd in town, and brisk buying is reported in all the business houses.

There was a good crowd at the auction sale, and prices paid were very good. It is hoped that more farmers will bring something to sell up at auction at the November Trades Day on the 25th.

The College Band gave a short program just after noon which was greatly enjoyed.

Gayle Campbell was the boy who succeeded in climbing the greasy pole after several had attempted it.

Mrs. J. A. Reed won the \$200 prize offered by the Canyon Grocery.

George Johnson drove in the car showing the greatest mileage and received the prize from Miller-Lybrand Co.

E. C. Drummond drew the billly goat offered to the boys by Miller-Lybrand Co.

Miss Ruby James received the \$500 in groceries offered by the "M" System.

Mrs. Frank Shotwell was winner of the \$500 groceries offered by the Buffalo.

Mrs. C. L. Neeley won the prize offered by Thompson Hardware Company.

The following were the subscription prizes given away by the News:

Person coming the farthest distance—Mrs. J. T. McGeehe, Way-side, 34 miles.

Woman raising the largest number of turkeys—Mrs. W. R. Stockett, Happy, 91.

Oldest person to register—J. H. Whitman, 81 years.

Oldest copy of the News brought in—T. A. Dowlen, issue of Jan. 20, 1911. The leading articles told of the death of John Hutson on the Saturday previous; and the dedication of the first college building set for March 4.

Largest amount of butter produced—Mrs. J. I. Ballengee, 246 pounds in seven months from one cow.

Youngest person to register—Mabel Spiser, 9 months old.

The \$5 prize given by the City Market for the best bushel of turnips was won by S. D. Black.

The \$5 merchandise prize given by the Canyon Supply for the oldest Stetson hat brought in was won by W. F. Heller with a hat he has owned and worn since 1903.

The \$5 merchandise prize for the oldest pair of Peters shoes brought in was won by Joe Tuckey with a pair which he has worn since May 1927. This was given by the Peoples Store.

The case of tomatoes which was given for the dozen heaviest eggs was divided between J. F. Love, L. C. Roberts, and Mrs. J. B. Lye who tied. Each brought in a dozen eggs weighing 29 ounces.

American Legion to Be Headed by Knight For Coming Year

New officers of the American Legion were named last week for the Palo Duro Post at the meeting of the ex-service men on Tuesday of last week as follows:

T. H. Knighton, Commander.
J. L. Oliver, Vice Commander.
H. O. Price, Adjutant.
G. A. Farlow, Finance Officer.
P. R. Phillips, Chaplain.
R. B. Davis, Master of Arms.
R. E. Harter, Historian.
H. A. Brown, J. W. Kleinschmidt, J. M. Daugherty, executive committee.

Western Union Will Open Office Down Town

Workmen are here to open the down town office of the Western Union in the Bradford building north of the "M" System. A three year lease has been taken on this office.

R. McGee states that the office will be ready for operation about the first of December. He is mighty glad to have the Western Union removed from the depot, as the telegraph work has greatly interfered with the work of the force in handling the Santa Fe's business.

Ex-Students to Be in Program at Home Coming Saturday

President J. A. Hill and Olin E. Hinkle, editor of the Pampa Daily News will be principal speakers at the Home Coming Assembly which will be held at the College at eleven Saturday morning.

Mr. Hinkle will represent the Ex-Students Association of the College. He is president of the organization and Miss Anna I. Hibbets is secretary.

A very large number of exes are expected in Canyon for the day and towns people are invited to attend the assembly in the forenoon and to see the parade before the game in the afternoon. The parade will start from the campus, pass down fourth avenue to the square, thence to Buffalo Park where the floats will be stationed at either end of the field. Every organization of the college will be represented in the parade.

Saturday night, the resident Ex-students of the College will give a play "The Bath Room Door," in honor of visitors. Along with this will be a Follies program with many interesting features. Towns-people, students and visitors are urged to enjoy this together. The price is fifty cents.

Another feature of the Home Coming will be the annual banquet of the Red Men. This will be at Cousins Hall at 7:30 and visiting members of the tribe and their friends are invited to attend.

Cars Wanted Friday to Take Canyon Hi Eagles to Hereford

The biggest football game of the season so far as the Canyon Eagles is concerned will be played at Hereford tomorrow afternoon. A large percent of the high school students will attend the game if transportation is obtained.

Those who will go to the game are asked to do so, and to call the high school to let the teachers know how many they will be able to take to the game.

City Park Project Under Consideration

The city commission has been able to make no definite answer to the proposal of last week by the Chamber of Commerce on the plan for a city park. The commission spent several hours considering the matter, but took no vote on the project.

As reported last week in the News, the Chamber of Commerce has a proposal for the removal of the stock pens which calls for an expenditure of \$13,000. Nine men have agreed to assume \$1,000 each, provided the city commission take one block of the land for a city park.

Under the option with Mrs. Conner, the Chamber of Commerce has a month yet in which to close the deal. Mr. Warren hopes that something will be done at once, as this is the first time in twenty years that a definite proposal has been made, and it is likely that the stock pens will remain in the east part of town for a long while if not moved at this time.

Under the option with Mrs. Conner, the Chamber of Commerce has a month yet in which to close the deal. Mr. Warren hopes that something will be done at once, as this is the first time in twenty years that a definite proposal has been made, and it is likely that the stock pens will remain in the east part of town for a long while if not moved at this time.

Ready For Keiser Sale First of Week

The sales barn is ready for the Keiser dispersion sale Monday and Tuesday of next week, states O. W. H. Cook, manager of the Keiser Estate.

It is estimated that a large number of buyers from over the Southwest will be present when the entire herd of Keiser's registered Herefords will be sold at auction.

HILL TO HASKELL

President J. A. Hill left Tuesday for Haskell where he will lecture at the teachers institute. He will address a number of high schools while away, returning Saturday morning.

Help Keep Canyon Clean!

HAVE YOU BEEN BOTHERED

By Receiving An Unordered Box of Christmas Cards Thru the Mail?

Many people in this vicinity have received such boxes through the mail with a request for \$1 in payment for them.

The following quotation from a bulletin issued by the Better Business Bureau gives a line on the true values sometimes represented by these cards and outlines your rights in handling them:

"Several packages of these unordered cards, which the senders claimed to be \$1.50 values for \$1.00, disclosed the average replacement price to be approximately 50 cents.

"You do not have to pay for these cards. You don't have to return them. Just put them aside. If an authorized agent calls for them you may give them to him. If he does not call within a reasonable length of time you may charge storage for the bother you've been put to in keeping them."

IN BUYING CHRISTMAS CARDS A GOOD RULE TO FOLLOW IS TO PATRONIZE YOUR REGULAR ESTABLISHED DEALER AND PLAY SAFE.

WILL INSPECT PALO DURO FOR A STATE PARK

STATE OFFICERS WILL VISIT CANYON WEDNESDAY.

Program Held Here at 6:00 O'clock Wednesday and Inspection of the Canyon on Thursday.

The Texas Good-Will Motorcade Tour will arrive in Canyon on next Wednesday evening at 6:30 o'clock, after starting from San Antonio on Tuesday morning. Practically every town along the way will be visited and addresses made by members of the party. D. E. Colp of San Antonio, chairman of the Texas State Parks Board, is head of the party.

D. A. Shirley and Tom Knighton have charge of the program which will be given in Canyon upon the arrival of the motorcade. Word has not been heard definitely as to the kind of program which will be put on here, but it is hoped that a large number of Canyon people will greet the visitors upon their arrival in Canyon.

The Palo Duro Post, with Tom Knighton as Commander, will play a prominent part in the reception of the visitors. State Commander Ernest C. Cox will be a member of the party, and wishes to meet all ex-service men in the city. The Chamber of Commerce, Rotary Club and other organizations are asked to co-operate in the reception of the visitors.

The Palo Duro canyon will be inspected on Thursday by the party, which will spend the night in Amarillo. It is planned that Canyon join Amarillo in showing the visitors the Palo Duro canyon, and lunch will be furnished by the two towns for the visitors at the canyons.

Among those who will be included in the party, according to present plans, are: Ernest C. Cox, state Legion commander; R. O. Whitaker, state Legion adjutant; R. L. Bobbitt, state attorney-general; W. R. Ely of Abilene, member of the State Highway Commission; P. S. Robinson, county judge of San Antonio; Dr. I. E. Gates, pastor of First Baptist church, San Antonio; State Senators W. A. Williamson, of San Antonio, and Joe M. Moore, of Greenville; and possibly U. S. Senators Morris Sheppard and Tom Connally. Also, R. S. Sterling, chairman of the State Highway Commission, will be in the party if he can possibly arrange his schedule to allow it, Mr. Colp said.

Ex-Service Men Will Be Entertained Friday

Invitation has been extended to all ex-service men in Randall county to meet with members of the Palo Duro Post at the Company F armory Friday night at 7:30 o'clock for the annual feed for ex-service men.

Post Commander Tom Knighton states that the Post has attempted to reach every ex-service man with a personal invitation, but should any have been missed, they are urged to be present. Plans for future work will be made at that time.

Mrs. Oscar Hunt Has Fine Buff Orpingtons

Mrs. Oscar Hunt brought to the News office Monday a fine specimen of egg from her Buff Orpingtons. She has one of the best flocks, if not the best in the Panhandle, having won seven premiums with the seven birds she entered at the Tri-State Fair. She paid \$4.00 each for eggs for the breeding stock, and was offered \$85 for the three best cocks in her flock.

Mrs. Hunt states that she selected a good laying strain for her flock and is convinced this breed of chickens is highly profitable.

MARRIAGE LICENSES

J. A. Ellis and Mrs. Mae Richter, Oct. 28.
Diamonds and Wedding Rings.
E. Burroughs.

Red Cross Roll Call Will Open on Armistice Day

Roll Call, the annual Red Cross membership enrollment, will take place between Armistice Day and Thanksgiving in Randall County. Dr. D. M. Stewart, chairman of Randall Chapter of the organization said yesterday. Dr. Stewart explained that the Roll Call period was established a number of years ago and has been successfully employed ever since by 3,500 Red Cross chapters at the time devoted to giving every citizen the opportunity to join.

"The Red Cross is a membership organization," he states, "and it is the obligation of the Randall County Chapter to make it possible for everyone to participate personally in the various services which have become a part of our national life. Foremost among these services is the Health Program which is soon to start in Canyon and Randall County. Health activities, notably first aid, life saving and nutrition, will soon be established, and our local Red Cross hopes to finance the program."

This maintenance and expansion depend upon memberships received during Roll Call. Red Cross memberships are: Annual, \$1.00; contributing, \$5.00; sustaining, \$10.00; and supporting, \$25.00. Only 50c of each of these will leave our own County to support work done by all chapters together under the general direction of the Central Committee of the National Organization.

Secretary Group Invited Saturday for Football Game

Secretaries of Chambers of Commerce in the Panhandle will hold an important meeting in Amarillo Saturday, and the group was invited Tuesday to attend the Homecoming football game at Buffalo Field following the meeting in Amarillo. Oscar W. Gano and R. A. Terrill will attend the meeting in Amarillo. It is planned to entertain the secretaries here within a short while in order that they may have a better understanding of the College.

W. A. Warren states that most of the secretaries attended the West Texas Chamber of Commerce meeting held at El Paso. This meeting was the best convention ever held by the association. It was a thoroughly business session, with no foolishness. The secretaries Saturday will discuss the primary needs of the Panhandle division of the West Texas Chamber of Commerce.

Wallace R. Clark, director of the West Texas Chamber of Commerce, states that the organization is now a real business organization. The business sessions were well attended, and the members earnest in their efforts to do something worth while for West Texas. It was the most enthusiastic and business like meeting he ever attended, and a real progressive program was adopted.

Mr. Clark states that W. B. Hamilton, the new president, is one of the real builders of West Texas. He is a big business man, and knows the past difficulties which confronted the organization. The legislative program adopted includes education, land titles and highways. A legislative bureau will be established at Austin for the purpose of putting over these measures.

The funds for the organization will be raised through the local Chambers of Commerce instead of through field workers.

W. A. Warren pledged \$100 for Canyon to wipe out the deficit, which will be paid out of the local funds.

In discussing the work of the Panhandle-Plains, Inc., at El Paso, there was some discussion of this section withdrawing to sponsor the work alone of this new organization. This was thought unwise at this time, owing to the new prestige thought possible through new life being instilled in the West Texas Chamber of Commerce. The Panhandle division will continue the efforts to foster immigration and industrial development in the campaign of publicity regarding the advantages offered by this section.

Both Mr. Clark and Mr. Warren are confident that the future of both the West Texas Chamber of Commerce and Panhandle-Plains, Inc., is very bright, and that good work will be done by both organizations.

JUNIOR WOMEN'S CLUB

Monday the Junior Woman's Club met in its regular session with the subject, "Cuba," led by Mrs. J. M. Daugherty. There were eight members present.

W. T. Homecoming Plans Near Completion as Great Day Draws Near; Buffs Meet Hill Billies

Thirty Floats Are to Be Entered in Organization Parade Scheduled for Afternoon; Ex-Student Follies to Be Feature of Evening.

Boy Scout Program to Be Resumed in City in Near Future

The Canyon Rotary Club heard about the Boy Scout work in Canyon at the luncheon Tuesday. W. E. Lockhart, who started the movement here nine years ago, believes that it has been the most important work he has ever done for the community. He states that the work will be resumed during the coming few months.

The Rotary Club will entertain the Rotary Ann's next Tuesday night at 7:30 o'clock at the regular weekly luncheon. A special program is being prepared for this occasion. Secretary Albert Terry reports that two 100% attendance meetings have been held this month.

Mr. Lockhart called attention to the article of Judge B. F. Fronabarger in last week's issue of the News, and stated that he knew positively that no Boy Scout had been guilty of the thing to which Judge Fronabarger called attention, that is, giving checks on their parents without consent. Mr. Lockhart called attention to the fact that Boston University had just started a course in training Boy Scout leaders, while this course was started in W. T. five years ago.

Mr. Lockhart traced the difficulties of the Scout movement in this section when the area movement begun three years ago, and the failure of the same.

Mr. Lockhart believed that the greatest weakness of the public schools today was the few men teachers in the grades and high schools. The boys need the contact with real men. He would like to see a scout executive employed, and believes with such a leader there would be two troops of at least 64 boys.

Scout craft teaches respect for constituted authority—the home, the school, and the state. It teaches the principals of service, and the boys pledge themselves to keep physically strong, mentally alert and physically clean. Mr. Lockhart hopes that revived interest will be taken in the Scout movement at once.

The executive committee endorsed the Red Cross Roll Call which starts Nov. 11th, and will present the subject to the Club at the next meeting.

Survey on Highway to Start West This Week

A. E. Dyatt, engineer, is preparing to start surveying the new highway west from Canyon to the county line, and hopes to get started this week. He will start at the Deaf Smith county line and work east to Canyon.

Owing to the fact that the highway along the Santa Fe in the west part of the county is only 60 feet wide, and the fact that the Texas Utilities power line runs along the highway, Mr. Dyatt says that a new roadbed will be run north of the present highway. It will be cheaper to build a new roadbed than move the power line back to obtain 40 more feet. When the highway reaches Umbarger, it would be necessary to move four buildings to get 100 feet, therefore the route will be through the north part of that town.

Mr. Dyatt states that no decision has been made as to the location north of Canyon. Owing to the fact that the highway must be 100 feet wide it may go out over the present highway for a few miles, as it will be possible to widen the present road. Four miles of grading has been completed north of Happy.

CAR DELIVERIES

H. Sudduth, New Ford Sport Coupe.
E. A. Oberst, New Ford Standard Coupe.

E. I. Boyce, used Ford A. A. Truck.
Marvin Reed, used Ford Tudor.
W. Janssen, used Ford Truck.
Jack Salman, used Ford Pickup.
Hazel Wineinger, Chevrolet Coach.
C. E. Brown, new Chevrolet Coupe.

Few homecomings for the alumni of West Texas State Teachers College have been looked forward to with as much enthusiasm and received as much careful planning as this homecoming which is about to be staged. Saturday will be the culmination of many months of enthusiastic planning, the fulfilling of glorious expectations, the meeting of hundreds of exes and present students on the campus once more.

In practically every town throughout the Panhandle W. T. exes plan to make the annual trek back to the old stamping ground next Saturday and those who are "carrying on" will be in readiness to receive them back to Alma Mater when the great day arrives.

For the first time in history every organization of the college will have an artistically decorated float in an all college parade. There will be something like thirty floats in the parade. The "band-wagon" is to lead in this procession. Following it will be the "royal car" (or cars) carrying the administrators of the college. The parade is to start from the campus, go down fourth avenue, around the square, and back to the Buffalo Park. Here the floats will be stationed at the north and south ends of the field. Those who participate are then going to gather in the center of the grid and root for the Buffaloes until the game is ready to start.

Mr. Lockhart who carries off the annual Interscholastic League meets with perfect control is to be master of ceremonies on this occasion. Miss Ruth Cross will act as his assistant.

Every seat in the Buffalo stadium is expected to be filled for the game which the Buffs play with the Daniel Baker Hill Billies in the afternoon. Not so long ago Coach S. D. Burton said when speaking of football history in W. T.: "We won the homecoming game and the exes proclaimed the season a success." That statement alone reveals something of the attitude of the exes as to the importance of the homecoming game. The Buffaloes say that the exes will also proclaim this season a success.

Something of the strength of the Hill Billies may be gathered when it is known that they met the Simmons Cowboys last week and the final score was 15 to 0 in favor of the Cowboys. The Buffs gave the over-confident Cowboys a run for their money last Saturday; so the Hill Billies will be expecting a tough encounter.

In the evening the annual Ex-Students Follies will be given in the auditorium of the education building. These Follies have built a reputation which is commendable in the last few years and the announcement that they would be continued was received with enthusiasm. A complete revue of the evening's program will be found elsewhere in this issue of The Prairie.

The annual banquet of the Loyal Order of Red Men will also be held in the evening at Cousins Hall. The hour has been set at 7:30. Members of the tribe, former and present will come with their squaws back to the Happy Hunting Ground, Alma Mater, and again smoke the pipe of peace around the common campfire.

To the last man the college plans to welcome W. T. exes and make the homecoming occasion as happy a one as possible.

Two Inches Rain Followed by Cold and Light Snow

Randall county received a fine rain fall Sunday and Tuesday, amounting to two inches. There was a total of .70 of an inch Sunday, followed by 1.30 inches Tuesday.

The rain could not have fallen better for the ground to receive the full benefit. It was a slow drizzling rain, with every drop soaking into the ground. Wheat farmers are highly elated over the fine moisture, which means that the crop will get a good fall growth.

A light snow accompanied the rain of Tuesday, with a considerable freeze.

R. D. Lowry was taken ill Tuesday night and was taken to the St. Anthony's hospital in Amarillo Wednesday afternoon.

E. Ferguson has mailed thousands of letters stating he was willing to run for governor if the people want him. Quite certain that a majority of voters of Texas do not want a man for governor, but many things happen in politics. Ferguson might get Ferguson votes. It wanted him or not. At least 150,000 votes at his side with one of the keenest and political foresight in the state, with great oratorical ability, all this makes Ferguson a man to be feared in any political campaign. Add to this the most ardent lineup which is likely to be made in the coming election, so many issues involved, and the race will not be decided until the day. While it may seem advisable to imagine Jim Ferguson being elected governor, yet announcements, the political leaders best look out; if Ferguson cannot be elected, he has a chance of naming the next governor.

Stock market hit a snag and millions of dollars were lost Friday. It is stated that all over the United States affected by the tumbling of stocks and securities. Many men state that fully half the men in this profession were ruined by the avalanche. Stock market speculation is gambling, although legalized. Those who buy when the market do not buy it up, but for the purpose of selling. They know, or should know, before they buy, that the market is entirely an assumed one, in many cases with little to back it up. Stocks which have declined no dividends in years have been selling at par and higher, while those which paid dividends of 6% have been selling at from 300 per share. The fellow who bought on such a market and have realized that he was in a faster game than

had he played poker or bet on the ponies, and if he gambled and lost the public should have no sympathy.

Governor Moody appeared before the West Texas Chamber of Commerce and plead that no sectionalism be shown in the organization. If we understand the cause for forming the organization it was to protect West Texas from the sectionalism which had been shown by the older portion of the state. The Governor, himself, showed no little amount of sectionalism when he vetoed the Small land bill and the appropriations which would have repaid West Texas farmers for the expense in the pink boll quarantine. Furthermore, in the matter of appropriations, the Governor has not been enthusiastic over the support of higher education, and West Texans believe in the proper development of the educational system. If the West Texas Chamber of Commerce becomes extremely active, more so than it has in the past, its activities may be the result of political influences which have been exerted against it by the Governor, as well as during past administrations. In other words West Texas does not want or expect more than it is justly entitled to receive, but the people out here want to make sure that we get our just share of the benefits of state government.

Conviction of Albert B. Fall is a splendid thing for the courts as a whole. People generally believe that a rich man, one in high office may do as he pleases, and violate all the laws he pleases, and get away with it. A few more such convictions will do much to restore the popular belief in justice in the courts of the land.

State Superintendent S. M. N. Marrs issues a warning that school children should not destroy road signs. The state highway commission has spent several thousand dollars marking the highways with adequate markers to direct traffic. Mr. Marrs states that reports come to his office that these markers have been destroyed through the thoughtless acts of children in many parts of Texas. Children should be taught in the school room that public and private property rights are sacred, and not to be molested, and Mr. Marrs is asking that teachers call attention to this destruction and that teachers urge children to respect property rights.

It was a great moral victory the Buffaloes won last Saturday

against the Simmons Cowboys, even though the game was lost by two points. The members of the team found out that they could play football, and had not some unfortunate breaks gone against them, a splendid victory would have been the share of the Buffs. Now that the team has hit a winning stride, it is expected that they will handle the rest of the games on the schedule.

PALO DURO STATE PARK
Editor John L. McCarty of the Dalhart Texan is strong for a State Park in the Palo Duro Canyon. He wrote the following editorial for his paper last week which is of interest to all who want to see the park dream realized:

Great pressure is being brought to bear to designate the Palo Duro Canyon as a state and national park, with scenic drives through that little known wonderland of beauty and historical romance. Most of the pressure, strangely, has always had to come from outside or from a few interested individuals in Amarillo. This is a peculiar situation when Amarillo would experience the greatest benefit from the proposed park. However, Amarillo has had other and seemingly more tangible things to work for and be interested in and consequently has let this major item pass by almost unnoticed.

The writer as a member of the staff of the News-Globe, attempted to stir up interest in the Palo Duro Canyon almost to the extent of having to undergo personal ridicule. However, this got the Canyon much publicity. Others have become interested, including the state park board, of which D. E. Colp is chairman. On October 7 the Texas Good Will Motorcade with about all the "big guns" in Texas politics and public affairs aboard, will come to Amarillo to spend a day inspecting the Canyon with the park board occupying the stage. Amarillo is thus given a big opportunity. The fact that a dozen or more newspaper representatives, including Hearst and Scripps-Howard men, are making the trip, assures the event nation-wide publicity and shows the widespread interest which Amarillo should capitalize.

Other Panhandle towns are at the point of demanding Amarillo's interest and leadership for such a vitally important thing in the development of this section as a state and national park in the Palo Duro Canyon. The idea can become a realization at the special session of the legislature in January. The Panhandle can get a little of what she is entitled to from the legislature if Amarillo will step out and take the lead in this matter and give a few more Panhandle cities an opportunity to help. The Palo Duro Canyon is a definite All-Panhandle asset which will benefit Amarillo inestimably. It is a de-

finite need of this section.

Will Amarillo do her part in making this a reality or will it have to be forced on that city? What is the answer?

A PLEA

By Dr. John Joseph Gaines
My portrait of Col. Charles Lindbergh, hanging on the wall, looks at me very earnestly this morning. I think, with a sort of urge in the calm features, to be careful what I say.

The daily newspaper has grown to be my very dependable friend; I find much that is comforting, edifying, even inspiring; but it calls Col. Lindbergh "Lindy." And it keeps that up with a persistency that is benumbing!

I wonder if newspapers in that day called President Washington "Washy?" Or Lincoln "Linky?" I believe they did not. They ignored rag-pickers' lingo, bowery slush, cottonfield ninnyisms. To apply "Smitty" to a hero of the comic strip is permissible, but to refer to a great American hero as "Lindy" is unworthy of American Journalism.

Maybe great western newspapers indulge this silly piece of business with idea that it is an endearing term. I can imagine Jones's wife calling him "Jonesey," or Brown's partner saying "Browney," but it hardly goes in refined society. "Lindy" is to me, a slap in the face of intelligent Americans; Lindbergh does not need this sort of mushy sentiment. "Colonel Charles A. Lindbergh" is a name at once inspiring—of which America is proud.

But "Lindy!" Baby-talk is all right in its place—for babies. It is perfectly all right and proper in the park, when the moon is waning—to one's own umpty-dumpty. But for the great American headline it is too cheap, shallow—it's becoming idiotic! American Journalism has

outgrown alley-rat parlance; it should pause and take a good look at itself in the mirror of public opinion.

There is always a possibility that I am wrong; it may be that, chopping off three letters of a name, saves several thousand dollars annually to the linotype—I hadn't figured that printing "Lindy" a million times!

NOT SO CHEAP

Words are not little things; the progress of mankind has depended on them. Abolish words and the race would be done for.

ORDINANCE NO. 66
An Ordinance Regulating Peddling Within the City Limits of Canyon, Texas, Providing for the Issuing of Licenses for the Same, and Penalty for not Securing Said License.

THAT it shall hereafter be unlawful for any person, firm or corporation to offer for sale by peddling same from house to house within the corporate limits of the city of Canyon, Texas, any merchandise of any kind, before first securing from the City Secretary a license or permit for same.

THAT the City Secretary is hereby authorized to issue said license or permit upon the payment by the applicant of the sum of Five Dollars, said license to be issued for one year only, provided that this ordinance is not intended to prohibit the peddling of any farm products raised within the County of Randall, Texas, and offered for sale by the grower thereof.

Any person, firm or corporation violating this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not less than Ten Dollars and not more than Fifty Dollars.

All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Passed in open City Commission at its regular session, this 7th day of October, A. D. 1929, and shall take effect from and after its passage and publication according to law.

R. A. BELLAH,
Mayor, City of Canyon, Texas.
Attest:
HARVEY CASH,
City Secretary.

Stock market hit a snag and millions of dollars were lost Friday. It is stated that all over the United States affected by the tumbling of stocks and securities. Men state that fully half the men in this profession were hit by the avalanche. Stock market speculation is gambling, although legalized. Those who buy on the market do not buy it up, but for the purpose of selling. They know, or should before they buy, that the stock is entirely an assumed one. In many cases with little to it up. Stocks which have been selling at par and higher, which paid dividends of 6%, have been selling at from 10 to 300 per share. The fellow who bought on such a market had realized that he was losing in a faster game than

had he played poker or bet on the ponies, and if he gambled and lost the public should have no sympathy.

Governor Moody appeared before the West Texas Chamber of Commerce and plead that no sectionalism be shown in the organization. If we understand the cause for forming the organization it was to protect West Texas from the sectionalism which had been shown by the older portion of the state. The Governor, himself, showed no little amount of sectionalism when he vetoed the Small land bill and the appropriations which would have repaid West Texas farmers for the expense in the pink boll quarantine. Furthermore, in the matter of appropriations, the Governor has not been enthusiastic over the support of higher education, and West Texans believe in the proper development of the educational system. If the West Texas Chamber of Commerce becomes extremely active, more so than it has in the past, its activities may be the result of political influences which have been exerted against it by the Governor, as well as during past administrations. In other words West Texas does not want or expect more than it is justly entitled to receive, but the people out here want to make sure that we get our just share of the benefits of state government.

Conviction of Albert B. Fall is a splendid thing for the courts as a whole. People generally believe that a rich man, one in high office may do as he pleases, and violate all the laws he pleases, and get away with it. A few more such convictions will do much to restore the popular belief in justice in the courts of the land.

State Superintendent S. M. N. Marrs issues a warning that school children should not destroy road signs. The state highway commission has spent several thousand dollars marking the highways with adequate markers to direct traffic. Mr. Marrs states that reports come to his office that these markers have been destroyed through the thoughtless acts of children in many parts of Texas. Children should be taught in the school room that public and private property rights are sacred, and not to be molested, and Mr. Marrs is asking that teachers call attention to this destruction and that teachers urge children to respect property rights.

It was a great moral victory the Buffaloes won last Saturday

against the Simmons Cowboys, even though the game was lost by two points. The members of the team found out that they could play football, and had not some unfortunate breaks gone against them, a splendid victory would have been the share of the Buffs. Now that the team has hit a winning stride, it is expected that they will handle the rest of the games on the schedule.

PALO DURO STATE PARK

Editor John L. McCarty of the Dalhart Texan is strong for a State Park in the Palo Duro Canyon. He wrote the following editorial for his paper last week which is of interest to all who want to see the park dream realized.

Great pressure is being brought to bear to designate the Palo Duro Canyon as a state and national park, with scenic drives through that little known wonderland of beauty and historical romance. Most of the pressure, strangely, has always had to come from outside or from a few interested individuals in Amarillo. This is a peculiar situation when Amarillo would experience the greatest benefit from the proposed park. However, Amarillo has had other and seemingly more tangible things to work for, and be interested in and consequently has let this major item pass by almost unnoticed.

The writer as a member of the staff of the News-Globe, attempted to stir up interest in the Palo Duro Canyon almost to the extent of having to undergo personal ridicule. However, this got the Canyon much publicity. Others have become interested, including the state park board, of which D. E. Colp is chairman. On October 7 the Texas Good Will Motorcade with about all the "big guns" in Texas politics and public affairs aboard, will come to Amarillo to spend a day inspecting the Canyon with the park board occupying the stage. Amarillo is thus given a big opportunity. The fact that a dozen or more newspaper representatives, including Hearst and Scripps-Howard men, are making the trip, assures the event nation-wide publicity and shows the widespread interest which Amarillo should capitalize.

Other Panhandle towns are at the point of demanding Amarillo's interest and leadership for such a vitally important thing in the development of this section as a state and national park in the Palo Duro Canyon. The idea can become a realization at the special session of the legislature in January. The Panhandle can get a little of what she is entitled to from the legislature if Amarillo will step out and take the lead in this matter and give a few more Panhandle cities an opportunity to help. The Palo Duro Canyon is a definite All-Panhandle asset which will benefit Amarillo inestimably. It is a de-

finite need of this section.

Will Amarillo do her part in making this a reality or will it have to be forced on that city? What is the answer?

A PLEA

By Dr. John Joseph Gaines

My portrait of Col. Charles Lindbergh, hanging on the wall, looks at me very earnestly this morning. I think, with a sort of urge in the calm features, to be careful what I say.

The daily newspaper has grown to be my very dependable friend; I find much that is comforting, edifying, even inspiring; but it calls Col. Lindbergh "Lindy." And it keeps that up with a persistency that is benumbing!

I wonder if newspapers in that day called President Washington "Washy?" Or Lincoln "Linky?" I believe they did not. They ignored rag-pickers' lingo, bowery slush, cottonfield minnyisms. To apply "Smitty" to a hero of the comic strip is permissible, but to refer to a great American hero as "Lindy" is unworthy of American Journalism.

Maybe great western newspapers indulge this silly piece of business with idea that it is an endearing term. I can imagine Jones's wife calling him "Jonesey," or Brown's partner saying "Brownie," but it hardly goes in refined society. "Lindy" is to me, a slap in the face of intelligent Americans; Lindbergh does not need this sort of mushy sentiment. "Colonel Charles A. Lindbergh" is a name at once inspiring—of which America is proud.

But "Lindy!" Baby-talk is all right in its place—for babies. It is perfectly all right and proper in the park, when the moon is waning—to one's own umpty-dumpty. But for the great American headline it is too cheap, shallow—it's becoming idiotic! American Journalism has

outgrown alley-rat parlance; it should pause and take a good look at itself in the mirror of public opinion.

There is always a possibility that I am wrong; it may be that, chopping off three letters of a name, saves several thousand dollars annually to the linotype—I hadn't figured that printing "Lindy" a million times!

NOT SO CHEAP

Words are not little things; the progress of mankind has depended on them. Abolish words and the race would be done for.

ORDINANCE NO. 66

An Ordinance Regulating Peddling Within the City Limits of Canyon, Texas, Providing for the Issuing of Licenses for the Same, and Penalty for not Securing Said License.

THAT it shall hereafter be unlawful for any person, firm or corporation to offer for sale by peddling same from house to house within the corporate limits of the city of Canyon, Texas, any merchandise of any kind, before first securing from the City Secretary a license or permit for same.

Any person, firm or corporation violating this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not less than Ten Dollars and not more than Fifty Dollars.

All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Passed in open City Commission at its regular session, this 7th day of October, A. D. 1929, and shall take effect from and after its passage and publication according to law.

R. A. BELLAH,
Mayor, City of Canyon, Texas.
Attest:
HARVEY CASH,
City Secretary.

Mr. and Mrs. Henry Price of Happy spent Sunday in the home of his mother, Mrs. Kate Gentry.

Was Discouraged and Almost Gave Up

"I Wasn't Able to Walk Up Stairs Without Falling, But Orgatone Restored Me to Health When All Else Failed"

"I actually believe Orgatone saved my life for me, for it pulled me up when I was nearly past going, and I feel better than I have in several years," said Mrs. Vina Neel, residing at the King Hotel, Amarillo, Texas.

"My stomach got into such an awful condition that everything I would eat caused gas to rise and press against my heart and I felt as if I would smother to death. After eating I would turn sick at my stomach and get so dizzy I would nearly fall and everything I had eaten would come right up, sour and undigested. My sleep was very restless and broken and I hardly ever got more than three hours any night. I was constipated, took laxatives all the time. My limbs would get numb and then again I would tingle all over, and it would feel like needles sticking in my flesh. My fingers would get numb and I thought it was poor circulation. I was extremely nervous and had sick headaches and felt so miserable all the time. I wasn't able to walk up the stairs without falling. I became so discouraged over my failure to get relief that I grew despondent and almost gave up hope."

"I saw Orgatone had helped so many people and saw it advertised in a drug store in Missouri, and decided to try it. I am completely relieved and feel like a well woman in every way. My digestion has improved and I eat anything I want, without suffering afterward. I'm not nervous and sleep fine every night, and the gas, dizzy and bloating spells no longer bother me, and I want you to know that Orgatone has brought me out of it. All my old troubles are over, and I am thankful and grateful to Orgatone and I know it will help anyone suffering as I was."

Genuine Orgatone is manufactured by one of the world's largest laboratories and is not a so-called secret or patent remedy but a new scientific bile treatment and is sold in Canyon by the Jarrett Drug Company.

It May Be Urgent

When your Children Cry for It

Castoria is a comfort when Baby is fretful. No sooner taken than the little one is at ease. If restless, a few drops soon bring contentment. No harm done, for Castoria is a baby remedy, meant for babies. Perfectly safe to give the youngest infant; you have the doctor's word for that! It is a vegetable product and you could use it every day. But it's in an emergency that Castoria means most. Some night when constipation must be relieved—or colic pains—or other suffering. Never be without it; some mothers keep an extra bottle, unopened, to make sure there will always be Castoria in the house. It is effective for older children, too; read the book that comes with it.

Fletcher's CASTORIA

"I Wasn't Able to Walk Up Stairs Without Falling, But Orgatone Restored Me to Health When All Else Failed"

"I actually believe Orgatone saved my life for me, for it pulled me up when I was nearly past going, and I feel better than I have in several years," said Mrs. Vina Neel, residing at the King Hotel, Amarillo, Texas.

"My stomach got into such an awful condition that everything I would eat caused gas to rise and press against my heart and I felt as if I would smother to death. After eating I would turn sick at my stomach and get so dizzy I would nearly fall and everything I had eaten would come right up, sour and undigested. My sleep was very restless and broken and I hardly ever got more than three hours any night. I was constipated, took laxatives all the time. My limbs would get numb and then again I would tingle all over, and it would feel like needles sticking in my flesh. My fingers would get numb and I thought it was poor circulation. I was extremely nervous and had sick headaches and felt so miserable all the time. I wasn't able to walk up the stairs without falling. I became so discouraged over my failure to get relief that I grew despondent and almost gave up hope.

"I saw Orgatone had helped so many people and saw it advertised in a drug store in Missouri, and decided to try it. I am completely relieved and feel like a well woman in every way. My digestion has improved and I eat anything I want, without suffering afterward. I'm not nervous and sleep fine every night, and the gas, dizzy and bloating spells no longer bother me, and I want you to know that Orgatone has brought me out of it. All my old troubles are over, and I am thankful and grateful to Orgatone and I know it will help anyone suffering as I was."

Genuine Orgatone is manufactured by one of the world's largest laboratories and is not a so-called secret or patent remedy but a new scientific bile treatment and is sold in Canyon by the Jarrett Drug Company.

Richardson Is On State Committee Of Investigations

Thorough investigation of the progress of education outside the state of Texas is the duty of the committee to which Miss M. Moss Richardson was recently appointed by T. O. Walton, chairman of the committee. The report of the committee will be made at the 1930 meeting of the Texas State Teachers Association.

Other members of the committee other than Miss Richardson and Mr. Walton are A. C. Ferguson, Commerce; Raymond E. Garlin, Lubbock; Annie Kate Taylor, Dallas.

Twenty topics concerning the subject of investigation will receive special consideration; each person on the committee working on about four topics of his or her own choice as nearly as possible without duplication. The topics are such as the preparation, salary, and retirement of teachers; intelligence tests; research, and organization.

Now, Folks, Will Rogers Talks in Your Theatre

Fox Movietone City, Calif.—Well folks, here I am in the talkies. It had to come. If anybody on earth knows anything about talk- ing, it's yours truly. If I wanted to start a fuss with these movie mag- nates, I'll bet I could claim part of the royalty from all patents that make machines talk. Just goes to show how careful a fellow ought to be, just because I got along pretty good talking my head off about anything and everything, the films decided there must be some- thing in it. Still, I'm ahead of them in a couple of ways. I start- ed first. And then too I ain't seen a talkie yet that knew how to chew gum. You all been pretty patient with me up to now, and laughed in the right places. I hope you keep it up.

Yours,
WILL ROGERS.

BUSINESS WOMEN'S CLUB ENTERTAINS EMPLOYERS

Merriment ran high last night when the Business Women's Club celebrated its first anniversary with a Halloween party for their em- ployers and their employers' wives at the I. O. O. F. Hall. Upon en- tering the hall, the guests were invited to have a cup of witches brew served from a witches cauld- ron, and were given favors of whistles and other noise-makers. The dimly lighted hall was at- tractively decorated in the Hal- loween motif. The evening's en- tertainment at lively games was climaxed by a dramatic ghost story told by Miss Dama Fry. Delicious refreshments of sandwiches, salad, pie, and coffee were served. Sixty five were present for the occasion.

HILL WILL SPEAK

President J. A. Hill left Tuesday morning to spend four days in the schools of Knox, Haskell and Bay- lor counties and to be the principal speaker at a Tri-County Institute to be held at Haskell.

He will return Saturday morning in time to make the principal ad- dress at the Home-Coming Assem- bly at eleven o'clock.

GOLDEN STITCHES

It makes the sewing basket more interesting to know that instead of sewing only seams and garments we are actually shaping character and destiny.

Pep Program Over KGRS Friday p. m. Wins Much Favor

With the "peppiest" pep program ever put on probably in the entire Panhandle, pep squads of West Texas State Teachers College and other rooters for the Buffaloes broadcasted a program of one hour's length over station K G R S in Amarillo Friday evening from 9:00 to 10:00 o'clock.

The purpose of the program was expressed by Marie Miles, master of ceremonies, in the opening lines of her speech to the radio fans: "Of course everybody knows just why we are here tonight. If not you can be informed in three words. Let's beat Simmons."

Not one moment during the hour's program was a dull one. A whole-hearted, soul-felt pep was manifested from the time the old town clock struck eight until the hand made its circuit again. Ran- dall Hall's pep squad, the "Triple R's" were the feature of the even- ing with their songs and yells. These songs and yells were directed by Marie Miles, Frances Burke, and Maurine Denney. The pro- gram hour was secured by Marie Miles, athletic secretary of Ran- dall Hall.

Several numbers were given by the Red Man tribe of the college who have as their Big Chief, Gene Elio. The Red Man quartet gave several numbers; Gene Elio said "howdy" to the listeners; Judge Landis, the newly discovered tap dancer, gave a fair representation of the Simmons Cowboy train leaving Abilene, and later leaving Amarillo. Edgar Pickett, ex Red Man and at present a member of the Amarillo College of Music fac- ulty, gave two selections on the vibraharp.

The musical numbers given by the Triple R's were accompanied by Durwood Brown's orchestra who are known by most of the people of the Panhandle as the plenty fair dance orchestra. One of their special numbers, "I Get the Blues When it Rains," was dedicated to Heck Ward, captain of the Buffs. Other numbers were "Sleepy Val- ley" and "Washington and Lee Stomp."

Dr. Grant McColey, tenor, sang two selections which college stu- dents like to hear, "Polly Wolly Doodle," and "Auld Lang Syne." He was accompanied by Mrs. Mc- Coley.

Short speeches were made by "Bud" Burke of the Triple R's; D. A. Shirley, registrar of the college; Willard Vinyard, ex-student of the college; Miss Ruth Cross, director of physical education for women and sponsor of the Triple R's; Zella Mae Walser, president of the Pi Omegas; Wallace O'Keefe, a Red Man; and Charlie Mae Hard- ing, one of the college yell leaders. Each speaker said the same thing in different words and tones: "Let's beat Simmons." The Buffaloes were called everything from woolly quadrupeds to a thunder- ing herd and many synonyms were also created for the Cowboys.

The program closed with the singing of Alma Mater by the Triple R's led by Maurine Denney and accompanied by the Brown orchestra.

The radio program was made possible through the courtesy of Judge Landis and Jerry Malin of the sports department of the Am- arillo Globe-News, both of whom are graduates of W. T.; the stu- dio management, Gist and Ben- nett; and the Tri-State Fair Asso- ciation.

If congratulatory telegrams and telephone messages count for any- thing, the program could hardly have been more of a success. Jer- ry Malin was kept busy opening the front door wide enough to let the Western Union boy stick a message in and the man at the telephone went through the motion of taking the receiver from the hook so many times that it was rumored that he would go through this same process in his sleep for many moons to come.

Messages from 47 people were received and at many of the places where messages were sent large numbers of people were lis- tening. Some boosters for the Sandies telephoned in that if the Buffs couldn't beat the Cowboys, turn them over to the Sandies.

Those who sent messages were: Opal and Alberta McKay, C. W. West, Mrs. Wallingford, Miss Gra- ham, Mrs. Green, Mrs. Smith, The Buffalo, The Mysterious Nine, Mrs. George of Amarillo, Frances Usery, Evelyn Witherspoon, Rosemary Lewis, Mrs. H. H. Guill of Pan- handle, Jim Crowder, M. L. Rob- erts, the Savage family, the Con- dron family, J. C. Heyser, Jean Vetek, College Oasis, Bryant fam- ily, Marjorie Reed, Mrs. Bassett, Bob Thompson, Coach Burton, Leo Cooper, R. F. Newman, Boyce Ban- dy, Carmen Hawkins, Pres. J. A. Hill, Reeves Donnell service sta- tion, Ben Guill, Hardin Boyles, Claude McDaniel, Carter Hotel of Amarillo, the Kerr house, Mrs. I. W. Burk, Gus Albright, Ford Ward, Lester Bowman, Ethel Bourland, Mar- baret Clyde, Mr. Mateer, and Mr. Warwick.

Heavy Snow Would Break Weather Signs

B. T. Johnson stated yesterday that he had not predicted as to the winter weather this fall, but called attention of the fact that should there be heavy snows this winter it would break his record of observation for the past forty years. Mr. Johnson has kept a close tag on the weather during that period, and noted certain things which always indicate a wet winter. He has not found these signs favorable for snow this fall.

NO ACTION YET TAKEN ON THE LEGION CLUB

The American Legion Club ten- dered to the Woman's Book Club last week the club house for a community center.

So far no definite action has been taken on the proposal, but committees are working on the plan. It is expected that the com- mittee will have some recommen- dations to take at the next meet- ing of the Club.

ENTERTAINS AT TEA

Mrs. Stuart H. Condon and Mrs. C. A. Murray entertained their friends with a tea at the home of Mrs. Condon Tuesday afternoon from three to six. The rooms were decorated in fall flowers and with hallowe'en colors. The guests were entertained at intervals during the afternoon by Mrs. Irby Carruth who read several numbers, and Miss Frances Usery at the Piano.

KANSAN'S 8 GOOD COWS EQUAL TO 28 POOR COWS

Clay Center, Kans.—Lester C. Roenigk finds that eight "good" milk cows equal twenty-eight "av- erage" ones. His conclusion was reached this way: Each of his eight cows last year produced an average of 13,875 pounds of milk, containing 5,017 pounds of butter fat. This was the highest herd production ever established in Kan- sas. Each one of his cows netted \$191.19 cents over costs.

In contrast an "average" cow, selected from a neighboring herd, produced 144.6 pounds of butter fat in the same period. Her owner's net profit was \$47.67. Roenigk would have needed more than twenty-eight such cows to equal the production from his eight or thirty-two to equal his profit.

KNOW TEXAS

Texas has 491 ice plants with a daily capacity of 21,129 tons.

Texas eliminated 25 grade cross- ings in 1928, standing fourth among the states in this important safety work.

The one vote against Texas' an- nexation to the United States was that of Robert Bache of Houston, kinsman of Benjamin Franklin.

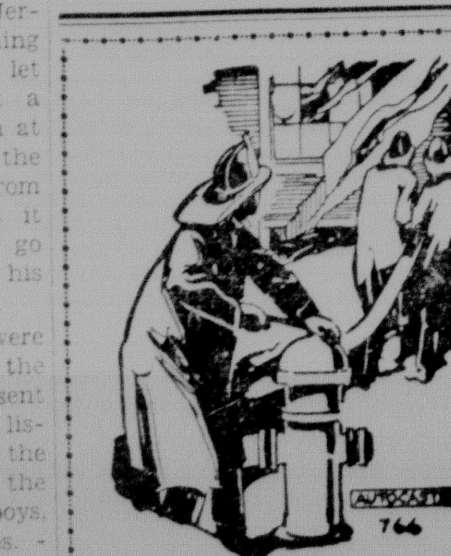

Dismantling of several plants in California and building of several in Texas during 1928 put Texas first in number of oil refineries in the United States.

In Randolph Field, San Antonio, Texas is to have the largest and most modern airport and flying school in the world. Plans have been accepted by the War Depart- ment for its construction.

FIRST BUFFALO KILL IN YEARS

Colorado Springs—Spencer Pen- rose, millionaire sportsman, has been credited with killing the first buffalo in Colorado in more than fifty years. On the Penrose estate a female buffalo had become dan- gerous and was ordered killed. Cowboys cut the animal out of the herd and drove it from the timber, where Penrose brought it down with one shot at seventy-five yards.

This country shelters many great men, but most of them are too modest to make themselves known.

They May Call You

When the firemen call, dress- ed for action, it is too late to think of insurance. The loss may be large—or the loss may be small—but a loss nevertheless unless you have your home and personal property well insured. Winter is the season of the year when fire losses are greatest. Putting off taking out a fire insurance policy is a gamble which no one can afford. Let us explain the economy which may be enjoyed in various kinds of policies.

LOCAL NEWS

Mike Alred was in the city Tuesday and hoped that he was receiving some of the fine rain at his place east of Happy. He is located in the "dry" strip, which has received very little rain this year.

T. H. Rowan was here yesterday from Amarillo, and states that the unpaved gap on the highway connecting with Amarillo is in a terrible condition since the rain.

Miss Lula Mae Irons who is teaching in Groom spent the week end here visiting with her parents, Mr. and Mrs. R. Irons. She was a student in the College last year.

Mr. and Mrs. C. C. Morton and son spent the week end visiting with friends and relatives in Silverton.

Miss Treva Louise Hefner has been visiting with friends in Tulsa for the past week.

Miss Frances McKinney and Eugene Johnson of Pampa spent Sunday visiting in the J. W. Bond home.

KOLSTER RADIO Battery Sets. Best we know, \$90 to \$125. Burroughs, the Jeweler.

Miss Lalah Whitacker and Mrs. J. B. Sikes were in Amarillo on business one day the first of the week.

Raye Cheyne is spending the week in Crosbyton.

Miss Janette Norris of Childress spent last week visiting her friend, Miss Virginia Crane.

Mr. and Mrs. Alfred Walker of Umbarger spent the week end visiting in the parental A. A. Walker home.

Mr. and Mrs. Earl Bellett of Hereford visited in Canyon for a short time one day last week while on their way to Amarillo.

Mr. and Mrs. Jim Blair Redearn of Clarendon spent the week end visiting in the A. A. Walker and J. M. Redearn homes.

Miss Hannah McCormick and Miss Elizabeth Croson spent the week end visiting with relatives in Amarillo.

Mrs. Earl Ross is seriously ill this week.

Mr. and Mrs. B. T. McCormick and daughter, Frankie Dayle, of Amarillo have been visiting in the home of his father, Mr. McCormick.

Miss Shirley Barks Harrell of Claude has been visiting in the homes of her grand mother, Mrs. A. N. Croson, and her grand parents, Mr. and Mrs. E. D. Harrell.

Mr. and Mrs. J. A. Guthrie and children attended the funeral of Mrs. J. W. Thomas in Amarillo Sunday. Mrs. Thomas was formerly a resident of this city.

KOLSTER RADIO Battery Sets. Table Models \$90—Fine Console, \$125.00. Burroughs, Jeweler.

Mr. and Mrs. J. M. Lybrand Jr. and son made a trip last week to Dallas and Ft. Worth. Mrs. Lybrand and son visited with relatives in Ft. Worth while Mr. Lybrand made a business trip to Van, Texas, his father's old home. They returned Monday.

Johnson Motor Co. Opens New Display Rooms This Week

The Johnson Motor Company has moved into its new location on 14th Street and is inviting the public in to visit and inspect the new show room. They have several new Pontiac cars on display and the new Philco Radio for which they have just taken the agency. Mr. Warren Johnson is the manager of this business and is to be congratulated on the attractive new building, as well as upon the success of the Oakland-Pontiac agency under his management.

George B. Terrell Visits Agri. Dept.

George B. Terrell, state Commissioner of Agriculture, was a visitor at the T-Anchor Ranch and in the Agricultural Department of the West Texas State Teachers College last week.

Commissioner Terrell stated that he is going into fish raising on a commercial scale at his home in Cherokee County.

Other agriculturists of note who have visited the college farm recently were W. E. Hicks, R. L. Carter and C. F. Mallow of Silverton. Carter and Mallow have recently purchased two bulls from the Teachers College herd.

CELEBRATE FARM MERGING Moscow.—Millions of peasants throughout the Soviet Republic celebrate Collectivization Day, Oct. 14, which has been proclaimed by the Government to stimulate the merging or individually owned farms. So far, the collective farms are only 3 per cent of the total peasant individual farms, but the Soviet is determined to increase this number to 10 per cent a year.

Fate loves his little ironies; which is why a British pacifist government is going to be saddled with the cost of something nearly approaching a war in Palestine.—Philadelphia Evening Public Ledger.

All things come to him who waits, providing he reaches out and grabs them as they go by.

Osgood Speaks Sat. To Hereford Study Club on 'The Novel'

Professor L. A. Osgood of the English Department of the West Texas State Teachers College was speaker at the meeting of the Bayview Club in Hereford Saturday, addressing the club members and a large number of visitors on "The Technique of the Novel."

Herschel Coffee and Mrs. Coffee, violinist and pianist, furnished the afternoon program for a meeting of the Portales Women's Club on Wednesday; four clubs from Clovis were guests of Portales on this occasion.

Miss Darthula Walker will address the teachers of Parnier County on November ninth. Her subject will be "The Geography of the Panhandle."

Practically every member of the College faculty has a full speaking schedule for the year. Holidays, special occasions and community rallies make heavy calls on the man-power of the school.

Chicago judge sentenced a man to sing to his wife twice a day. Thus do the innocent suffer with the guilty.—Florence (Ala.) Herald.

What this country needs is some method of increasing the price of everything without adding to the cost of living.—Jackson News.

Triple R's Appear In Chapel Thurs. For First Time

Giving a well-organized, cleverly worked out program of pep last Thursday morning at the assembly hour the Randall Hall Squad, recently christened the Triple R's, made its initial appearance before the student body of the college. The fifty-one members of the squad were led by Marie Miles and Buddy Burke, directors.

Like the Thundering Herd on its march to victory the squad charged in the auditorium spelling out Buffalo. In kneeling position in the aisles some Yea, Teams were given; after which the group came upon the stage and gave a number of songs and yells. The squad's performance was closed with fifteen rahs for Miss Ruth Cross, sponsor.

Much to the regret of those participating the suits for the squad had not arrived at the time of the performance. Due to the fact that the suits were ordered from New York, there has been some delay in their arrival according to the directors of the squad.

Miniature cars won't help much. Picking one out of a pedestrian will be as tedious as pulling one off.—Hartford Times.

Help Keep Canyon Clean.

Shaw is Pledge of Alpha Rho Chi at Texas University

Dinocrates Chapter of Alpha Rho Chi at the University of Texas announces the pledging of Travis Shaw, a graduate of this college with the class of 1929. Alpha Rho Chi, is a national, social, architectural fraternity.

Mr. Shaw has also recently become a member of the famous Longhorn Band at the University of Texas. He is working toward his Bachelor of Science degree in Architecture.

Emblems For Yell Leaders Given to Group by College

Yell leader's emblems, symbolizing the leader's megaphones, were awarded last week to Charlie Mae Harding, Merle Griffin, and Marie Miles.

Misses Griffin and Harding are yell leaders of the college at present, and Miss Miles was yell leader for the past two years.

Doubtless our grandchildren will prize heirlooms all the more if they must finish paying for them.—Cedar Falls (Ia.) Record.

Plans Complete For Music Ass'n. Meet Here Nov. 9

Arrangements have been practically completed here for the meeting of the South Plains Music Teachers Association which will take place at the West Texas State Teachers College on November ninth.

The meetings will begin at 11 o'clock when the Men's Chorus, the Orchestra and the Women's Chorus of the college will present a program honoring the visitors.

Following this, a luncheon and business meeting will be held at the college cafeteria.

A reception will be tendered the visitors with the faculty and music students of the college as guests; this will be followed by a dinner for the association members.

At night the group will be guests

of the college at a concert given by the Russian Cossack Chorus, under the auspices of the college. Miss Margaret Huff, of Lubbock is president of the Association. Professor Wallace R. Clark, and Miss Pauline Brigham of the Music department of the College, Mrs. Dana Harmon Trent and Mrs. Gladys Marsalis Glenn of Amarillo are honorary members of the organization.

IS BURNED BY EXPLOSION

Serious burns were sustained by Mrs. J. S. McClendon and three-year old baby daughter as the result of a gasoline stove explosion last Thursday afternoon at their home east of Canyon. Mrs. McClendon was badly burned in patches on her back and hands, and the baby was burned on both ankles and hands and face. They were brought to Canyon for medical attention Thursday and stayed with friends here for a few days. Both were doing very well at the last report from them.

Rudolph Fuchs Is Chosen Sponsor of W. T. Junior Class

Due to a conflict in their choice of class sponsors between the freshman and junior classes, the juniors selected another sponsor at their meeting Thursday. Rudolph Fuchs, professor in the department of art, is the newly elected sponsor of the junior class.

Mr. Stuart H. Condon accepted the sponsorship of the freshman class to which he was also elected at the time of the junior election.

Dr. Eckner is the man who put the zip in Zep.—Virginian-Pilot.

The national affection for the hot dog has proceeded far beyond the puppy-love stage.—Arkansas Gazette.

The little things in life should never be overlooked. They are the ones that grow into big ones.

the

Eagles have received sev-

eral letters of sympathy from Here-
ford this week, but it seems that
this has not been accepted. The
Eagles feel that Hereford had bet-
ter keep all her sympathy, for they
might need it for themselves.

The Eagles can't win this game
with only the pep squad behind
them, everyone in Canyon must
come to boost them.

WENT SWIMMING ON POIPUSS

An American lady reports
this as truth. She had been stop-
ping at a seacoast town in Britain,
and one day, returning from a
walk, said to her landlady:

"Do you know what I saw while
I was walking on the beach just
now? Two porpoises!"

"Lawks, no? Ow did they ever
get down to the beach away from
the poor house?"—Boston Tran-
script

Eagles Walk Over Claude 33 to 0 Friday Afternoon

The Canyon Eagles have not
been defeated in a Conference
game, and last Friday they added
another victory to their list to the
tune of 33 to 0 over the Claude
Mustangs.

Earl Cross played excellently as
the full back for Canyon. He
was the best player on the field.
His heavy weight made him hard
to stop when he once got started,
and the rest of the backfield and
the strong line saw to it that he
started.

James and Ralph Cabe, though
light, gained much ground in a
clear field with their speed. How-
ever, the powerful tacklers for
Claude would not let them go far.
Williams, the old favorite, did not
show up so well in this game.

Mazewood and Jennings, as ends
for the Eagles, would not let the
Mustang's end run get very far.
Campbell, the best Claude man,
could not gain much around the
Eagles' ends.

Johnson and McDaniels, tacklers
for Canyon, were always through
the line for a tackle on the de-
fensive and opening a hole on the
offensive.

Pool, the Eagles' center, did not
misdirect a single ball and the re-
sult was that there were practi-
cally no backfield fumbles. Foster,
Dubbs, Hardin and Tucker showed
up well as guards.

Warren Whaley was substituted
in the backfield and played about
a quarter of the game. Strain,
who also substituted in the back-
field for about a quarter of the
game, passed well. Warren once
caught a pass when he was in the
air, put there by a Claude man.

Claude only made one first down
in spite of the fact that their team
was as heavy as the Eagles.

The Eagles' next game is with
the Hereford Whitefaces at Here-
ford tomorrow. It will be a "hum-
dinger." Go over and help the
Eagles "Beat Hereford."

LATIN CLUB MEETING

Last Tuesday at four o'clock,
the Latin students were called to-
gether for a club meeting. A new
game was introduced to the mem-
bers. The second year class was
defeated by the first year class
which proves that the first year
class is progressing wonderfully.

Sketches of three interesting books
were given by Katy B. Lowe,
Mary Jane Williams and Mae Beth
Bishop. The meeting was adjourned
until the next club meeting which
will be held on the first Wednes-
day of next month.

The modern girl does the things
her grandmother was dying to do,
but didn't dare.

Motherhood

massage brings
comfort

Complete relaxation
and comfort is very
necessary to the ex-
pectant mother's well-
being. Nervousness,
discomfort and pain
exhausts that strength
so vital at this particu-
lar time.

Thousands of thou-
sands of expectant
mothers have passed
through this period in
their lives with the
aid of "Mother's Friend"
that time-tested,
scientifically-
prepared skin lubricant and pain-reliever
which originated in the prescription of
an eminent obstetrician.

You owe yourself the comfort "Mother's
Friend" gives. It is not a drug to
be taken. It is used externally only—
gently rubbed into the skin. Clean and
pleasant to the touch. Brings relief
promptly. Very valuable in keeping the
breasts in good condition. Also puts you
in fine shape for the approaching ordeal.

"Mother's Friend" is on sale
in all drug stores. \$1.25 per
bottle. Try a massage with
it tonight and notice the ease
and comfort it gives. A book
let on "Things to Know Before Baby
Comes" will be mailed in plain envelope,
free, on request. Address: Bradford Regu-
lator Co., Dept. 10, Atlanta, Ga.

Senior Class Selects Invitations Tuesday For Graduation

The Senior Class of '29-'30 met
at 12:40 Tuesday afternoon to de-
cide upon invitations and cards.
As there were a large number of
beautiful invitations it was natu-
rally hard to decide on one cer-
tain one. However, the invita-
tion voted on by the majority of
the class was a plain invitation
with C. H. S. in gold letters writ-
ten on a scroll in the upper left
hand corner. The beauty of the
invitation lies in its plainness, and
although there were a number of
Seniors who desired a different
style, it is the hope of all of them
that the invitation chosen will be
liked. This is the first real senior
meeting that has been held this
year, but it made the seniors feel
important because of the subject
brought up.

The senior rings have been or-
dered and they should arrive some
time this week. Fifty-seven sen-
iors ordered rings, and since this
is the largest number of seniors
ever to have ordered rings from
Canyon high school before, the
class feels very proud of itself.

The first entertainment to be
given for the public by the sen-
iors of '29-'30 will be a Carnival on
November 8, and as this is to help
pay for some gift to be given to
the school at the last of school
the seniors request the attendance
of all the students and townspeople.
Come on folks, help the sen-
iors out!

The P. T. A. has a very inter-
esting program at their regular
meeting Thursday afternoon. Mar-
garet Gamble played a solo, and
then the expression department
gave the pantomime, "The Lamp
Went Out," both of which were
greatly enjoyed. After the program
a business meeting was held. Plans
were made for the Halloween so-
cial Wednesday night for the P.
T. A. wishes to have a good time
as well as work. The second
Thursday in each month was set
aside as visiting day. The parents
always enjoy visiting the school to
see the work that the students are
doing.

P. T. A. Has Good Program Thursday

The P. T. A. had a very inter-
esting program at their regular
meeting Thursday afternoon. Mar-
garet Gamble played a solo, and
then the expression department
gave the pantomime, "The Lamp
Went Out," both of which were
greatly enjoyed. After the program
a business meeting was held. Plans
were made for the Halloween so-
cial Wednesday night for the P.
T. A. wishes to have a good time
as well as work. The second
Thursday in each month was set
aside as visiting day. The parents
always enjoy visiting the school to
see the work that the students are
doing.

LECTURES AT CHAPEL

Two very interesting lectures
were enjoyed by the entire stu-
dent body last week.

On Wednesday a lecturer from
Dallas gave a very uplifting talk
on "Life." It is hoped that every-
one profited by this lecture.

Thursday the students enjoyed
Rev. Neal who was conducting a
revival meeting here. A beautiful
story was carried throughout the
talk.

PAINS Went Away

"I was very much run-
down in health. I had a
dreadful ache across the
middle of my
back. I had a
dull, tired feel-
ing, and I dread-
ed the thought
of having to do
my household
tasks. I was
tired when I
got up in the
morning. I got
no rest from
my sleep, and I
was sleepy all
day long.

"My husband
got a bottle of Cardui for
me. It was not long be-
fore I began to show a
decided improvement.
My strength began to re-
turn and I felt much more
like myself. The sleepy
spells gradually quit and
the pains in my back and
sides disappeared.

"Cardui is a splendid
tonic for women. I prov-
ed it for myself."—Mrs.

New Home Ec Girls Initiated With Beautiful Ceremony

Thursday evening at 7:00 o'clock
the old and new members of the
Home Ec. Club gathered at the
school house for the purpose of
pledging the new members into the
Home Economics club of the high
school. The service was held in
the home economics room.

When the old members were as-
sembled in the room, which was
arranged and decorated very nice-
ly, the new members came to the
door and asked for admittance in-
to the club. They were admitted
and seated. The spirit of Home
Economics entered carrying the
torch of faithfulness and loyalty,
and dressed in a white robe. Each
new member was given a candle.
She lighted this candle from the
torch, then pledging her loyalty to
the club.

The officers were then intro-
duced by the president of the
club, after which each member
introduced herself to the other
members of the club.

The refreshments were then
served. This treat consisted of a
large pop-corn ball and an apple.
The members then returned to
their homes.

During the day Thursday the
new members of the club were re-
quired to wear a corsage of green
vegetables consisting of an onion,
a radish, a green bean, and other
green vegetables. They each car-
ried a rolling pin, a frying pan or
some other kitchen utensil on
which was tied a piece of paper.

The girls were required to have
certain teachers and students write
such things as love notes, poems,
and answers to questions on these.
These papers were read at the
initiation.

CARNIVAL NOVEMBER 8

The senior class is starting things
off right this year with a big
Carnival which will be given No-
vember 8, at 7:45 at the high
school building. Celebrities from
all of the classes have been cho-
sen; Pauline Wilson and Ralph
Cabe are senior representatives;
Elizabeth Jameson and James
Cabe junior representatives; Lucile
Davault and Willard Middleton,
sophomore representatives; and
Marie Landress and Pat McCorm-
ick, freshman representatives.
Which ones of these representa-
tives will be crowned king and
queen of the carnival? These ce-
lebrities are the most all-round
students in the classes and it is
your place to decide which two
will be the most all-round boy and
girl in Canyon High; so come on
folks, and vote for the one you
want to be crowned! Help put
them over big!

MORE HELPFUL, TOO

PURPLE PEPS

The Purple Peps are doing some
hard work this week, getting in
practice for the game Friday. New
and old yells are being practiced
and new songs learned. The squad
will not give a stunt at Hereford
because the new sweaters have
not arrived, but it intends to have
some good yelling. Everyone who
goes to the Hereford game are
asked to back the Peps as well as
the team. Come on—and help us
yell—"We'll Win, by golly, we'll
win!"

Eagles Walk Over Claude 33 to 0 Friday Afternoon

The Canyon Eagles have not been defeated in a Conference game, and last Friday they added another victory to their list to the tune of 33 to 0 over the Claude Mustangs.

Earl Cross played excellently as the full back for Canyon. He was the best player on the field. His heavy weight made him hard to stop when he once got started, and the rest of the backfield and the strong line saw to it that he started.

James and Ralph Cabe, though light, gained much ground in a clear field with their speed. However, the powerful tacklers for Claude would not let them go far. Williams, the old favorite, did not show up so well in this game.

Mazewood and Jennings, as ends for the Eagles, would not let the Mustang's end run get very far. Campbell, the best Claude man, could not gain much around the Eagles' ends.

Johnson and McDaniels, tackles for Canyon, were always through the line for a tackle on the defensive and opening a hole on the offense.

Pool, the Eagles' center, did not misdirect a single ball and the result was that there were practically no backfield fumbles. Foster, Dubbs, Hardin and Tucker showed up well as guards.

Warren Whaley was substituted in the backfield and played about a quarter of the game. Strain, who also substituted in the backfield for about a quarter of the game, passed well. Warren once caught a pass when he was in the air, put there by a Claude man.

Claude only made one first down in spite of the fact that their team was as heavy as the Eagles.

The Eagles' next game is with the Hereford Whitefaces at Hereford tomorrow. It will be a "hum-dinger." Go over and help the Eagles "Beat Hereford."

LATIN CLUB MEETING

Last Tuesday at four o'clock, the Latin students were called together for a club meeting. A new game was introduced to the members. The second year class was defeated by the first year class which proves that the first year class is progressing wonderfully. Sketches of three interesting books were given by Katye B. Lowe, Mary Jane Williams and Mae Beth Bishop. The meeting was adjourned after this interesting program until the next club meeting which will be held on the first Wednesday of next month.

The modern girl does the things her grandmother was dying to do, but didn't dare.

Motherhood

massage brings comfort

Complete relaxation and comfort is very necessary to the expectant mother's well-being. Nervousness, discomfort and pain exhausts that strength so vital at this particular time.

Thousands of thousands of expectant mothers have passed through this period in their lives with the aid of "Mother's Friend," that time-tested, scientifically prepared skin lubricant and pain-reliever which originated in the prescription of an eminent obstetrician.

You owe yourself the comfort "Mother's Friend" gives. It is not a drug to be taken. It is used externally only—gently rubbed into the skin. Clean and pleasant to the touch. Brings relief promptly. Very valuable in keeping the breasts in good condition. Also puts you in fine shape for the approaching ordeal.

"Mother's Friend" is on sale at all drug stores. \$1.25 per bottle. Try a message with it tonight and notice the ease and comfort it gives. A booklet on "Things to Know Before Baby Comes" will be mailed in plain envelope, free, on request. Address: Bradfield Regulator Co., Dept. 10, Atlanta, Ga.

Senior Class Selects Invitations Tuesday For Graduation

The Senior Class of '29-'30 met at 12:40 Tuesday afternoon to decide upon invitations and cards. As there were a large number of beautiful invitations it was naturally hard to decide on one certain one. However, the invitation voted on by the majority of the class was a plain invitation with C. H. S. in gold letters written on a scroll in the upper left hand corner. The beauty of the invitation lies in its plainness, and although there were a number of Seniors who desired a different style, it is the hope of all of them that the invitation chosen will be liked. This is the first real senior meeting that has been held this year, but it made the seniors feel important because of the subject brought up.

The senior rings have been ordered and they should arrive some time this week. Fifty-seven seniors ordered rings, and since this is the largest number of seniors ever to have ordered rings from Canyon high school before, the class feels very proud of itself.

The first entertainment to be given for the public by the seniors of 29-30 will be a Carnival on November 8, and as this is to help pay for some gift to be given to the school at the last of school the seniors request the attendance of all the students and townspeople. Come on folks, help the seniors out!

P. T. A. Has Good Program Thursday

The P. T. A. had a very interesting program at their regular meeting Thursday afternoon. Margaret Gamble played a solo, and then the expression department gave the pantomime, "The Lamp Went Out," both of which were greatly enjoyed. After the program a business meeting was held. Plans were made for the Halloween social Wednesday night, for the P. T. A. wishes to have a good time as well as work. The second Thursday in each month was set aside as visiting day. The parents always enjoy visiting the school to see the work that the students are doing.

LECTURES AT CHAPEL

Two very interesting lectures were enjoyed by the entire student body last week.

On Wednesday a lecturer from Dallas gave a very uplifting talk on "Life." It is hoped that everyone profited by this lecture.

Thursday the students enjoyed Rev. Neal who was conducting a revival meeting here. A beautiful story was carried throughout the talk.

THE GREAT EDUCATOR

By language the insights of the wise is made the common property of the many.

HEAL THOSE SORE GUMS

Even after pyorrhea has affected your stomach, kidneys and your general health, Leto's Pyorrhea Remedy, used as directed, can save you. Dentists recommend it. Druggists return money if it fails. Jarrett Drug Co.

PAINS Went Away

"I was very much run-down in health. I had a dreadful ache across the middle of my back. I had a dull, tired feeling, and I dreaded the thought of having to do my household tasks. I was tired when I got up in the morning. I got no rest from my sleep, and I was sleepy all day long."

"My husband got a bottle of Cardui for me. It was not long before I began to show a decided improvement. My strength began to return and I felt much more like myself. The sleepy spells gradually quit and the pains in my back and sides disappeared."

"Cardui is a splendid tonic for women. I proved it for myself."—Mrs. J. E. Shelley, Box 22, R. F. D. 1, Electra, Texas.

New Home Ec Girls Initiated With Beautiful Ceremony

Thursday evening at 7:00 o'clock the old and new members of the Home Ec. Club gathered at the school house for the purpose of pledging the new members into the Home Economics club of the high school. The service was held in the home economics room.

When the old members were assembled in the room, which was arranged and decorated very nicely, the new members came to the door and asked for admittance into the club. They were admitted and seated. The spirit of Home Economics entered carrying the torch of faithfulness and loyalty, and dressed in a white robe. Each new member was given a candle. She lighted this candle from the torch, then pledging her loyalty to the club.

The officers were then introduced by the president of the club, after which each member introduced herself to the other members of the club.

The refreshments were then served. This treat consisted of a large pop-corn ball and an apple. The members then returned to their homes.

During the day Thursday the new members of the club were required to wear a corsage of green vegetables consisting of an onion, a radish, a green bean, and other green vegetables. They each carried a rolling pin, a frying pan or some other kitchen utensil on which was tied a piece of paper. The girls were required to have certain teachers and students write such things as love notes, poems, and answers to questions on these. These papers were read at the initiation.

The Home Ec. Club intends to do many things this year. The club is to be affiliated soon.

CARNIVAL NOVEMBER 8

The senior class is starting things off right this year with a big Carnival which will be given November 8, at 7:45 at the high school building. Celebrities from all of the classes have been chosen; Pauline Wilson and Ralph Cabe are senior representatives; Elizabeth Jameson and James Cabe junior representatives; Lucile Davault and Willard Middleton, sophomore representatives; and Marie Landress and Pat McCormick, freshman representatives. Which ones of these representatives will be crowned king and queen of the carnival? These celebrities are the most all-round students in the classes and it is your place to decide which two will be the most all-round boy and girl in Canyon High; so come on folks, and vote for the one you want to be crowned! Help put them over big!

Cowboys Barely Eke Out 14-12 Victory Over Buffs Saturday In Amarillo Butler Field

It was eleven determined, fighting Buffaloes who entered the game Saturday at Butler Field, Amarillo, against the Simmons University Cowboys, seeking revenge for the defeats of the past three years. The eleven kept up the fight every one of the sixty minutes, scoring twelve points in the best played Buffalo game seen this year, while the opponent from Abilene way piled up a lead of only two points. It was one of the most colorful and exciting games of two or more seasons, and was any one's game right up to the final whistle. That the Buffaloes lacked the punch to put over two touchdowns when within striking distance cost them the game, while on the other hand missing the two goals after touchdowns was the only thing which gave the Cowboys a win.

Every Buffalo was in the game from the time the first whistle blew until the game was called. Led by Captain Ward, who played one of the best games of his career, the Buffs were determined to show the 5,000 customers that this year's was the best football team produced in the Buffalo lot for many a day. Ward played his end position well, with hardly a gain being made around his way. Newman brought forth praise from the hundreds of spectators in his wonderful ability at bringing back the kick-offs. Cleve Jones at quarter called a good game, and was in on every play. Logan was a stone wall against which the Simmons backs were able to make but few gains. Pat Gerald had the best interference ever given a Buffalo back, and thrilled the spectators by his long runs as the interference swept away the cow hands.

Elkins at tackle, Sanders at guard, Thompson at center, Miller at guard, Bandy at end and Powell at half together with those who substituted for them during the game deserve great credit for winning a great moral victory even though the big end of the score went to the down-state visitors. The Cowboys came expecting an easy victory such as last year. It was a larger, heavier, and more experienced team than were the Buffaloes, but the determination to give all they had went a long

way toward a near Buffalo victory.

Buff's Score

The Buffs drew first blood when, with the game less than five minutes old, they got the ball after an exchange of punts and a dazzling return, a perfect pass, Gerald to Newman produced a touchdown. The pass was good for about ten yards and Newman started razor forward that ended behind the goal line after his mates had done some wonderful blocking.

Some time after the second quarter started, the Cowboys came right back fighting. A nice return of a punt by Sanders put the ball on the Buff 40. A pair of bucks netted four yards, then a cleverly executed pass, Sanders to Jennings, resulted in Jennings' loping unmolested across the line.

Buff's Lead at Half

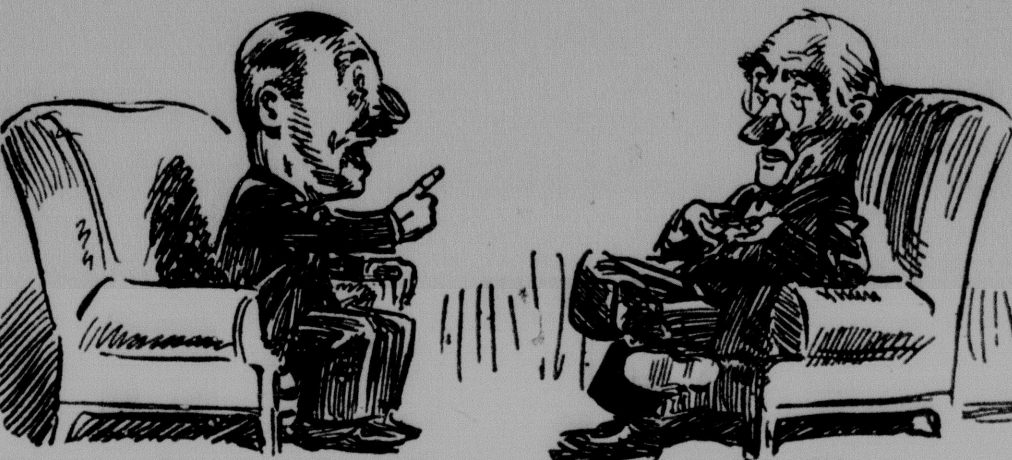

Not to be outdone, Buffs, received and starting on their twenty 40 stripe marched across for a touchdown on a half dozen plays. A pass for 25 yards, a ten yard jaunt for Powell around right end, and then a good flip, Gerald to Bandy was made into a touchdown when Bandy hopped high to take the oval from the waiting arms of a couple of Cowboy backs who were bent on intercepting. Bandy had no difficulty in breaking away to skip the remaining 12 yards for the counter. Again the second period, the Herd took the ball to the five yard line on a beautiful broken field run of some 25 yards by Gerald. They seemed destined to make their third touchdown, but a costly fumble, a couple of yards out lost them the chance.

The third period proved to be the one in which the winners forged ahead. A mass of breaks figured in the scoring of the last touchdown by the winners. In the first place Gerald received a punt on his 20 yard line and returned it to the 45, only to have it called back and a penalty of 25 plastered on. This placed the ball on the Buff's 88 yard line. A couple of tries at the line netted but little, and Captain Ward in the absence of Newman was called back to boot. Golightly broke through to block the punt giving Cowboys the ball on the 7 yard line. Four plays left the ball some feet from the

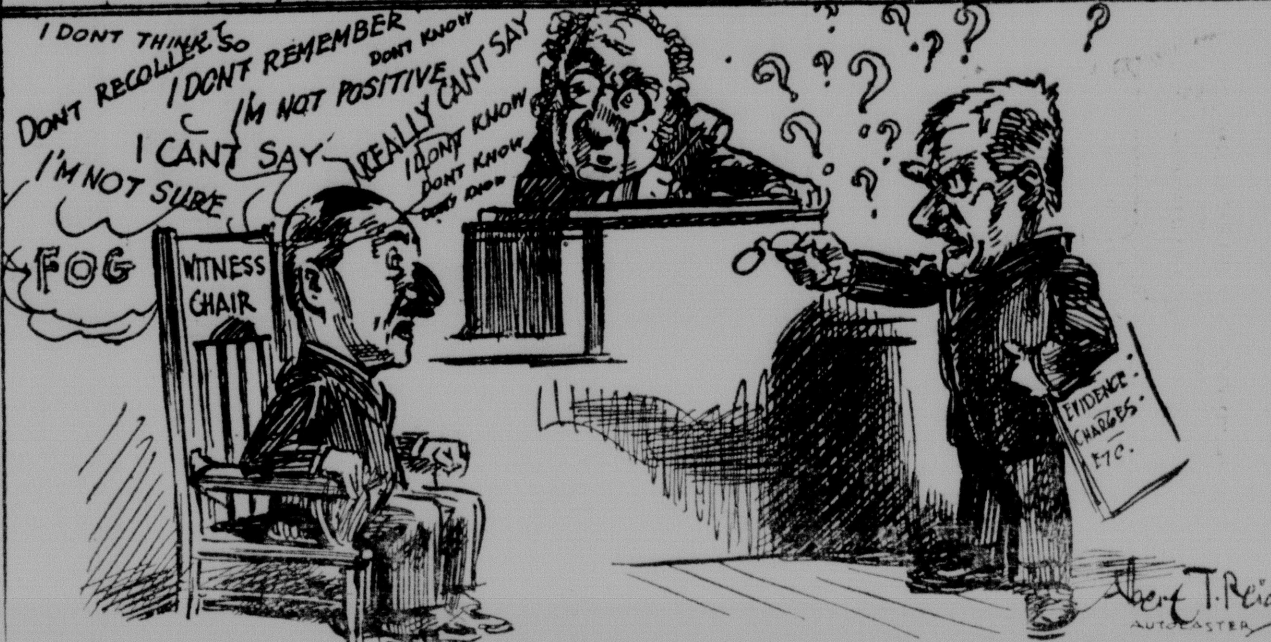

Another Unexplained Phenomenon

By Albert T. Reid

HE CAN SIT AND REEL OFF FOR HOURS ALL THE MINUTE DETAILS OF PAST DEALS, - EXPLICIT AS TO NAMES, PLACES, DATES AND AMOUNTS, - OH, EVERYTHING.

Isn't it funny how clear one's mind is at times, -

-And how sluggish and befogged it can become at others.

goal line, but at this point the Buffs were penalized for offside and Sanders then plunged the foot for the marker.

Scoring Ends

This ended the scoring, but the Buffs threatened again seriously when they took the ball to within a few yards when Gerald uncorked another of his returns carrying the ball to the 10. Two line plays gave the Herd a few yards, but their attack petered in a pass behind the goal which was incomplete. The Cowboys took the ball on their 20, and after an exchange of punts which gave them an advantage of about 15 yards, they reeled off a pair of runs which took them to the 20 where their attack apparently fizzled just before the game ended.

It was a game replete with thrills.

Summary of the Buffalo-Cowboy game:

Scoring: Touchdowns, Newman, Bandy, Jennings, Sanders. Extra point: Sanders 2. First downs, Buffaloes 6, Cowboys 7. Yards from scrimmage including passes—on 37 plays the Cowboys gained 165 and lost 28; on 60 plays the Buffaloes gained 189 and lost 23. Passes: the Cowboys completed one out of two tries for 36 yards and touchdown; Buffaloes tried 20, 4 complete for 90 yards, 2 intercepted and 14 incomplete. Penalties: Cowboys penalized two times for 20 yards. Buffaloes penalized 9 times for 95 yards. Punts: Cowboys 13 for an average of 29 yards; Buffs kicked 11 for an average of 44 yards.

Sent in by the 4th and 5th grades. The rain Sunday and Sunday night was enjoyed by all. The lower grades are busy today making cats, witches and owls for our Hallowe'en party which will be Thursday evening. We were glad to have Brother Neal and Mr. Rockwell visit our school Wednesday of last week. Both made very interesting talks. Mr. and Mrs. Arthur Byars and son Robin of Lockney spent the week end in the home of Albert Byars. Mr. and Mrs. Stallings and chil- dren attended the movies in Ama- rillo Saturday night. Misses Jean and Alberta Ham- mond of Amarillo spent the week end with their parents, Mr. and Mrs. L. B. Hammond. Mr. and Mrs. Campbell and children visited in the home of Mrs. Richards Sunday. Mr. and Mrs. L. B. Hammond and family attended the play at Bushland Friday night. Mrs. Byars and daughter Fern visited our school Friday. Wayne is very anxious for every one to know that he had his beauty struck last week. Mr. and Mrs. Rockwell have been attending the meeting at Canyon. Mrs. Bill Campbell spent the week end with her mother, Mrs. Richards. Mr. and Mrs. A. J. Ford and family spent Sunday in Amarillo.

ALL SAINTS' DAY SERVICE

The Rt. Rev. E. Cecil Seaman, bishop of the Missionary District of North Texas, will visit Canyon on Friday, Nov. 1st, which is "All Saints' Day" in the calendar of the Episcopal church, and will hold a vesper service at the local Episcopal church at 4 p. m. This is the day upon which the members of this church hold their own beloved dead in sacred and loving remembrance, with appro- priate hymns and prayers, and a brief meditation upon the inspira- tion of the lives of these departed loved ones, and of the great Chris- tian saints and leaders of the past. All Christians to whom such a memorial hour will appeal are in- vited to have a part in this ser- vice, next Friday afternoon at four o'clock.

Something ought to be done about this bare-legged fad. Every day you see men crossing the street nearly killed by automobiles. Jackson News

When Pasturing Wheat is Helpful

"About the only time that pas- turing is helpful to wheat is when there is too much early growth. Early rank growing wheat draws heavily on the soil, it removes an excessive amount of moisture and plant food, often leaving very lit- tle or nothing for the crop to live on later," says H. M. Bainer, Di- rector, Southwestern Wheat Im- provement Association. Continu- ing he says, "Under no circum- stances would I advise pasturing wheat of limited growth or even an average growth. Experimental results seldom show any gains in yield or other benefits from pas- turing, but they frequently show losses in yield of one to several bushels per acre.

"There is always a great tempta- tion to pasture wheat, especially if there is a shortage of feed for dairy cows and growing livestock. To be able to pasture wheat may solve a feed problem and bring in a quick return, but in the long run it is likely to do more dam- age to the wheat than the feed value amounts to. The claim made by some growers, that the wheat pasturage they get is just that much clear gain, is usually not true, unless the wheat shows an early growth and needs a clipping.

"For best results, wheat should go into the winter with sufficient growth to overcome winter-killing and it should cover the ground enough to protect the roots, hold the snow and prevent the soil from blowing. At this time some of our Southwestern wheat has made more fall growth than is needed and some of this will be benefited by judicious pasturing, but the bulk of the acreage will be better off by not letting livestock touch it. Many times a reason- able amount of grazing may not be harmful but the danger lies in overdoing it, in turning livestock onto a crop that is too small, or in grazing it too closely. To graze wheat when the ground is wet will cause more injury than the value of the pasturage. Grazing too closely gives the crop a set-back, making it less winter hardy, late in maturity, low in yield and poor in quality."

WHY NOT PEWTER?

A Newark youth who graduates this spring from college is about to become, according to his proud parent, one of the aluminum.—Newark News.

What a politician hears "with his ear to the ground," he broad- casts with a loud speaker.

Sunny Hill News

Mr. and Mrs. C. I. Kaufman were in Happy Saturday afternoon on business.

Mr. and Mrs. Rex Roby were in Canyon Saturday attending school. They are taking an extension course at the college.

Mrs. J. T. Sykes and son, James, were in Happy attending to business Saturday.

Mr. and Mrs. Wise and children were visiting in Silverton Sunday. Lea Carlson has been absent for several days and is back in school.

A general rain fell here Saturday night and Sunday.

There will be a program followed by a box supper Friday night at the Sunny Hill school at 8:00 o'clock. Everybody come and bring boxes.

Mrs. J. B. Knox and Mrs. Lela Castleberry were in Happy Wednesday afternoon.

J. T. Sykes is ill this week. We are hoping he will recover soon.

I. H. Hollabaugh, sr., who has been ill for some time at the home of his son, I. H. Hollabaugh, jr., of this community, was able to drive to Happy Friday.

Henry Ratjen returned Saturday from a visiting tour.

H. N. Clary, who has lived in this community for several months is moving to Hereford some time this week.

Zita Breezes

A Hallow'en Carnival was given Saturday night at the Zita school house. A short program was given and many interesting booths were enjoyed by all. We had a real good crowd and were very glad to have with us our friends, Mr. and Mrs. E. L. Moon from Wichita Falls.

T. J. Caswell, Mrs. Allen Christian, Mrs. B. J. Mulkey and daughter, Minnie, visited at the C. C. Stewart home Friday.

The P. T. A. served lunch at Mrs. O. T. Roddy's sale Wednesday. A pretty good crowd attended this sale.

Mr. and Mrs. F. J. McMahan spent Sunday with Mrs. F. C. Gruner.

The farmers were all glad to see the rain fall Sunday. This will help bring the wheat up.

W. E. McCormick is all smiles now as he has a grandson, Walton Clem, born Thursday to Mr. and Mrs. C. C. Kellogg of Wildorado.

Some women seem to believe they have sufficient will power to gossip or leave it alone.

Pity Poor Grandma!

By Bernar Macfadden

Have you ever stopped to wonder why women stay younger longer nowadays than they did in our grandmother's time?

Haven't you often heard how dear Grandma was married at fifteen and bore her first baby at sixteen; at twenty she was a dignified matron, at thirty, a middle-aged woman, and at forty she was just as good as dead? Also, she was delicate, subject to weak spells and heart attacks. And if by any chance a girl wasn't married by the time she was eighteen she was a hopeless old maid!

Why is it? I'll tell you why.

Young girls in our grandmother's time grew old long before their time because they lived contrary to the laws of nature. In grandmother's day a sixteen year old girl was scrawny and of poor physique; combersom clothes, long skirts, corsets and constant admonitions not to be a tomboy, all tended to retard her physical development. Rarely was she sufficiently matured for marital relations at the time of marriage. And having been kept in ignorance of the facts of life and the necessity for prenatal care, childbirth was a death-bed agony instead of a normal bodily function. "Female weakness" became a byword because nobody had heard of such a thing as corrective exercise and proper diet.

So through neglect and ignorance and abuse of health, is it any wonder that a woman was passed at thirty and a chronic invalid at forty?

Now take a look at our sixteen year old girls today. Beautifully formed, well developed, competing with men in all branches of sports, bubbling over with exuberance, teeming with vitality. Truly they are fit to be the mothers and wives of men!

Every girl who desires to be a splendid representative of her sex and to preserve her youth should adopt some form of physical exercise.

And to whom does the credit belong? To athletics of course, which are now a part of our educational and social life.

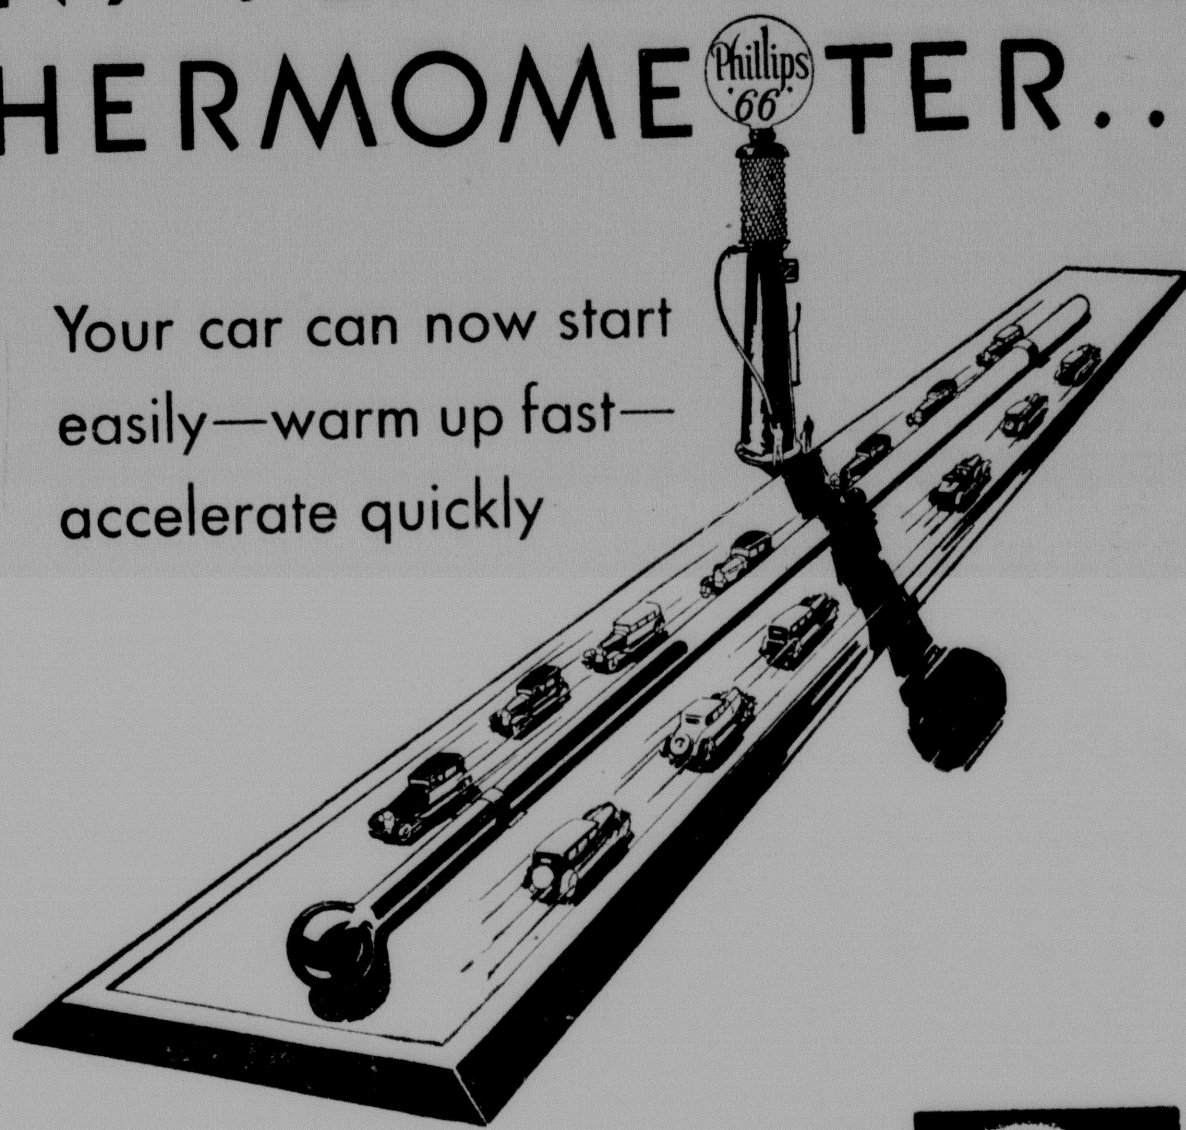

NOSE TO THE GRINDSTONE

"A farmer is criticised if he's even seen goin' in th' post office durin' th' growin' or harvestin' season. His place is on th' farm until th' snow flies."—Abe Martin.

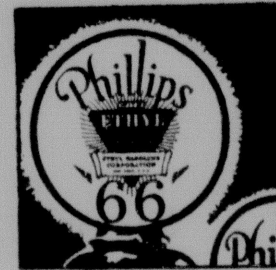

The latest motor cars have two horns attached. The first sounds a gruff warning and the second a parting sneer.—Punch.

ANY PLACE ON THE THERMOMETER...

Your car can now start easily—warm up fast—accelerate quickly

The weather never changes for the car that's fueled with Phillips 66. This gasoline makes starting easy on even the coldest nights; its volatility is controlled to fit the season and the climatic conditions of the locality in which you buy it. You'll find it always quick in action. Flexible, too, at all engine speeds—no more stutter or miss when you step on it. You get these results at no extra cost. For best results try a full tank of Phillips 66 or 66 Ethyl.

Phill-up with **Phillips 66**

© 1929, Phillips Petroleum Company

CONTROLLED VOLATILITY

WHEN THE THERMOMETER GOES DOWN THE VOLATILITY GOES UP. Gasoline must vaporize before it can be fired in the cylinders of your motor. Volatility refers to the ability of gasoline to vaporize. With volatility controlled, Phillips 66 vaporizes as quickly in cold as in warm weather.

These are the Oakland features which make driving a real delight

Foremost among the many convenience features offered by the Oakland All-American Six is the Cross-flow radiator. The Cross-flow radiator practically eliminates losses of water and alcohol through boiling. Only Oakland in the entire medium-priced field employs the Cross-flow radiator. Foot-controlled headlights represent another great convenience. Only Oakland and one other medium-priced car offer this feature. And it is such features as these, combined with Oakland's impressive performance, distinctive style and exceptionally long life, which make Oakland ownership an uninterrupted experience in motoring enjoyment.

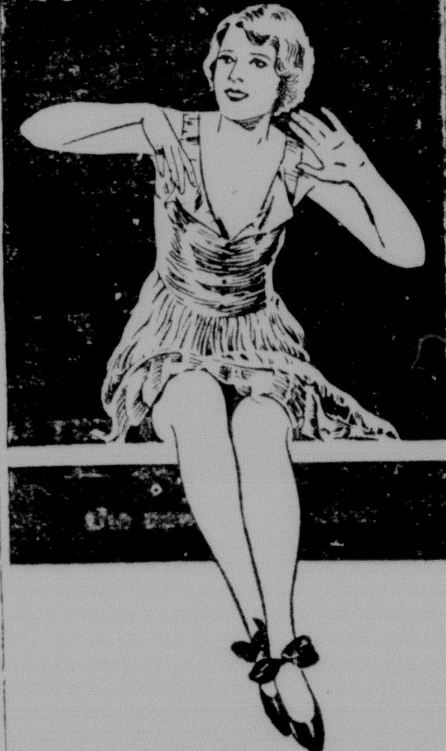

Oakland All-American Six, \$1145 to \$1375, f. o. b. Pontiac, Michigan, plus delivery charges. Spring covers and Loewjoy Hydraulic Shock Absorbers included in list prices. Bumpers and rear fender guards extra. General Motors Time Payment Plan available at minimum rate.

\$1145
AND UP

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. . . . Oakland-Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

Save by painting NOW with SWP

If your house is even slightly weather-beaten, paint now for economy. Give your house an armor-like coating of SWP—protect it against ruinous winter's rain and snow—and save costly repair bills.

Fewer gallons of SWP are needed because its wonderful "body" thoroughly covers more square feet of surface per gallon. Therefore it costs you less per job. Call us for an estimate—positive proof of the economy of SWP. Come and consult our beautiful new color schemes. This aid is yours merely for the asking.

Trade-mark Registered
S-W Paint Products are sold the world over under this famous trade-mark

SHERWIN-WILLIAMS PAINT HEADQUARTERS

Friday and Saturday Suggestions.

Just look over these values—all of guaranteed quality—for Friday and Saturday. And remember—we are right here on the spot to make good anything which fails to give satisfaction.

We are particularly proud to recommend the famous Sherwin-Williams line of paints and varnishes. By actual test and through long experience, we know them to be the best on the market.

Paint is easily adulterated. Nobody can tell much about paint by looking at it in the can. But a few months after it is applied, the super quality of SWP is apparent to anyone. We sell SWP because it lasts more than twice as long as cheaper paint—because it gives absolute satisfaction, retaining its clean, true colors to the very last—because it is the world's greatest paint bargain.

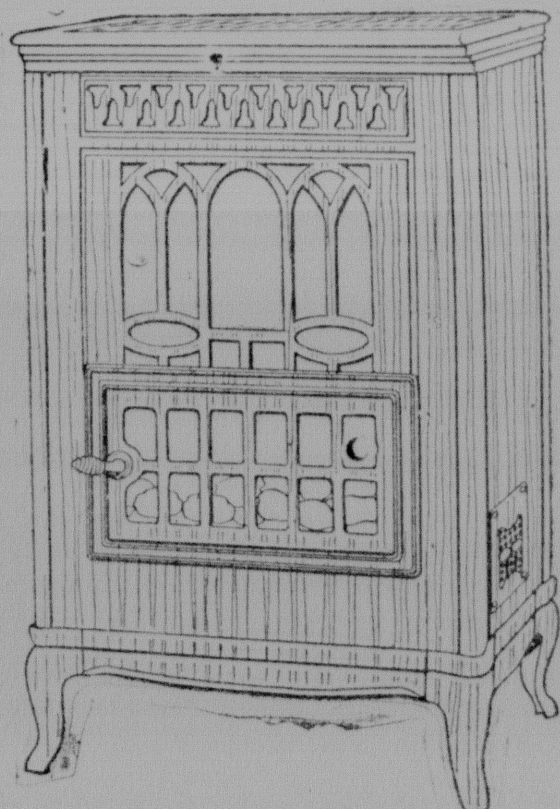

Specify SWP and engage a good painter

Gas Circulator Heaters

Represents the latest style in modern home heating. The improved beauty of design and lines equal the beauty of highly finished furniture.

"No odors or fumes." The Gas Circulator is of closed fuel type. The combustion of gases takes place within its gas tight steel walls. There are no leaks and the gases are not mixed with heated air as in open fuel types. It is fitted with a collar for flue connection that carries off fumes and moisture. This feature is of importance in the choice of gas heaters in order to eliminate excessive moisture in the rooms.

Being of the circulator or furnace type causes continuous circulation of hot air, therefore giving a uniform temperature practically all over the rooms. This wonderful heater is out of the experimental stage and has been fully proved and demonstrated in the homes of some of our customers last winter. Call at our store and let us show you this wonderful Circulator Heater.

Mrs. J. T. Sykes and son, James, were in Happy attending to business Saturday.

Mr. and Mrs. Wise and children were visiting in Silverton Sunday. Lea Carlson has been absent for several days and is back in school. A general rain fell here Saturday night and Sunday.

There will be a program followed by a box supper Friday night at the Sunny Hill school at 8:00 o'clock. Everybody come and bring boxes.

Mrs. J. B. Knox and Mrs. Lela Castleberry were in Happy Wednesday afternoon.

J. T. Sykes is ill this week. We are hoping he will recover soon.

I. H. Hollabaugh, sr., who has been ill for some time at the home of his son, I. H. Hollabaugh, jr., of this community, was able to drive to Happy Friday.

Henry Ratjen returned Saturday from a visiting tour.

H. N. Clary, who has lived in this community for several months is moving to Hereford some time this week.

Zita Breezes

A Halloween Carnival was given Saturday night at the Zita school house. A short program was given and many interesting booths were enjoyed by all. We had a real good crowd and were very glad to have with us our friends, Mr. and Mrs. E. L. Moon from Wichita Falls.

T. J. Caswell, Mrs. Allen Christian, Mrs. B. J. Mulkey and daughter, Minnie, visited at the C. C. Stewart home Friday.

The P. T. A. served lunch at Mrs. O. T. Roddy's sale Wednesday. A pretty good crowd attended this sale.

Mr. and Mrs. F. J. McMahan spent Sunday with Mrs. F. C. Gruner.

The farmers were all glad to see the rain fall Sunday. This will help bring the wheat up.

W. E. McCormick is all smiles now as he has a grandson, Walton Clem, born Thursday to Mr. and Mrs. C. C. Kellogg of Wildorado.

Some women seem to believe they have sufficient will power to gossip or leave it alone.

Pity Poor Grandma!

By Bernar Macfadden

Have you ever stopped to wonder why women stay younger longer nowadays than they did in our grandmother's time?

Haven't you often heard how dear Grandma was married at fifteen and bore her first baby at sixteen; at twenty she was a dignified matron, at thirty, a middle-aged woman, and at forty she was just as good as dead? Also, she was delicate, subject to weak spells and heart attacks. And if by any chance a girl wasn't married by the time she was eighteen she was a hopeless old maid!

Why is it? I'll tell you why.

Young girls in our grandmother's time grew old long before their time because they lived contrary to the laws of nature. In grandmother's day a sixteen year old girl was scrawny and of poor physique; combersom clothes, long skirts, corsets and constant admonitions not to be a tomboy, all tended to retard her physical development. Rarely was she sufficiently matured for marital relations at the time of marriage. And having been kept in ignorance of the facts of life and the necessity for prenatal care, childbirth was a death-bed agony instead of a normal bodily function. "Female weakness" became a byword because nobody had heard of such a thing as corrective exercise and proper diet.

So through neglect and ignorance and abuse of health, is it any wonder that a woman was passe at thirty and a chronic invalid at forty?

Now take a look at our sixteen year old girls today. Beautifully formed, well developed, competing with men in all branches of sports, bubbling over with exuberance, teeming with vitality. . . . Truly they are fit to be the mothers and wives of men!

Every girl who desires to be a splendid representative of her sex and to preserve her youth should adopt some form of physical exercise.

And to whom does the credit belong? To athletics of course, which are now a part of our educational and social life.

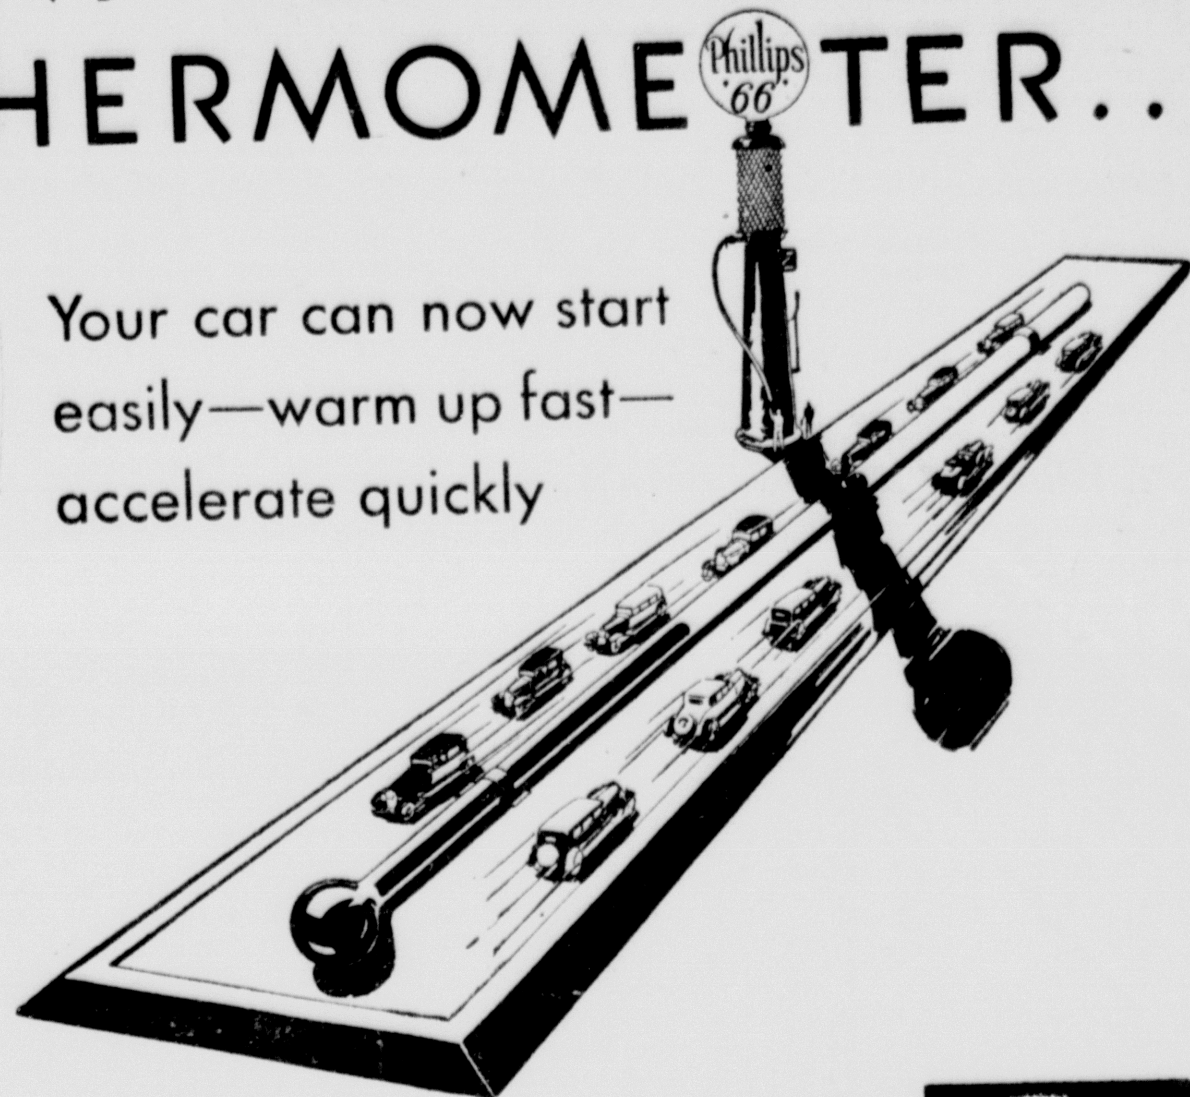

NOSE TO THE GRINDSTONE

"A farmer is criticised if he's even seen goin' in th' pult office durin' th' growin' or harvestin' season. His place is on th' farm until th' snow flies."—Abe Martin.

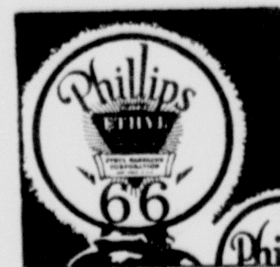

The latest motor cars have two horns attached. The first sounds a gruff warning and the second a parting sneer.—Punch.

ANY PLACE ON THE THERMOMETER...

Your car can now start easily—warm up fast—accelerate quickly

The weather never changes for the car that's fueled with Phillips 66. This gasoline makes starting easy on even the coldest nights; its volatility is controlled to fit the season and the climatic conditions of the locality in which you buy it. You'll find it always quick in action. Flexible, too, at all engine speeds—no more stutter or miss when you step on it. You get these results at no extra cost. For best results try a full tank of Phillips 66 or 66 Ethyl.

Phill-up with **Phillips 66**

© 1929, Phillips Petroleum Company

CONTROLLED VOLATILITY

WHEN THE THERMOMETER GOES DOWN THE VOLATILITY GOES UP. Gasoline must vaporize before it can be fired in the cylinders of your motor. Volatility refers to the ability of gasoline to vaporize. With volatility controlled, Phillips 66 vaporizes as quickly in cold as in warm weather.

SHERWIN-WILLIAMS PAINT HEADQUARTERS

Friday and Saturday Suggestions.

Save by painting
NOW with SWP

If your house is even slightly weather-beaten, paint now for economy. Give your house an armor-like coating of SWP—protect it against ruinous winter's rain and snow—and save costly repair bills.

Fewer gallons of SWP are needed because its wonderful "body" thoroughly covers more square feet of surface per gallon. Therefore it costs you less per job. Call us for an estimate—positive proof of the economy of SWP. Come and consult our beautiful new color schemes. This aid is yours merely for the asking.

Trade-mark Registered
S-W Paint Products are sold the world over under this famous trade-mark

Just look over these values—all of guaranteed quality—for Friday and Saturday. And remember—we are right here on the spot to make good anything which fails to give satisfaction.

We are particularly proud to recommend the famous Sherwin-Williams line of paints and varnishes. By actual test and through long experience, we know them to be the best on the market.

Paint is easily adulterated. Nobody can tell much about paint by looking at it in the can. But a few months after it is applied, the super quality of SWP is apparent to anyone. We sell SWP because it lasts more than twice as long as cheaper paint—because it gives absolute satisfaction, retaining its clean, true colors to the very last—because it is the world's greatest paint bargain.

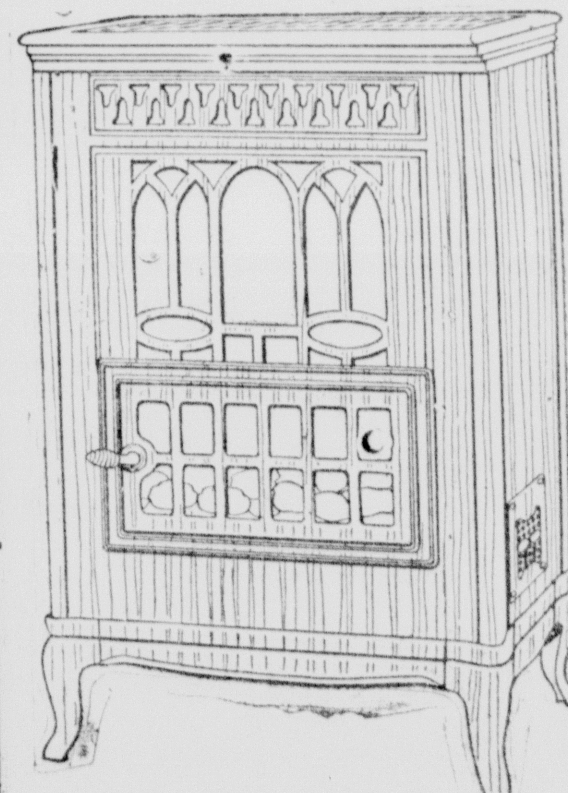

Specify SWP and engage a good painter

Gas Circulator Heaters

Represents the latest style in modern home heating. The improved beauty of design and lines equal the beauty of highly finished furniture.

"No odors or fumes." The Gas Circulator is of closed fuel type. The combustion of gases takes place within its gas tight steel walls. There are no leaks and the gases are not mixed with heated air as in open fuel types. It is fitted with a collar for flue connection that carries off fumes and moisture. This feature is of importance in the choice of gas heaters in order to eliminate excessive moisture in the rooms.

Being of the circulator or furnace type causes continuous circulation of hot air, therefore giving a uniform temperature practically all over the rooms. This wonderful heater is out of the experimental stage and has been fully proved and demonstrated in the homes of some of our customers last winter. Call at our store and let us show you this wonderful Circulator Heater.

Thompson Hardware Co.

Howell News

Johnson preached to us morning. On account of weather only sixteen were

Mable Leavitt and Evelyn spent the week end with

people of this community in Canyon Monday and Mrs. W. H. Bailey of and Mr. and Mrs. Buron spent Sunday at the parent's Burtz home.

Sister Johnson visited J. E. Davis Sunday. E. Davis and Miss Delvia visited Mrs. Henry Burtz

SHOULD EVERY FARMER HAVE A FEW DAIRY COWS

Mrs. C. L. Neeley

an ex-farmer's wife and practiced the program heretofore. I can approach my with a degree of assurance were I again to become partner I would certainly my job by carrying on a and farming program in obtain a maximum of profit the investment of my well as the initial cost of

considering each asset I would first the necessity of it to be, second, the multiplication to which it or its product would be put. Judging by a few good cows would lead the list. First, they the most wholesome, nour-

ishing, and necessary food known to man. Milk contains the four classes of food material in more nearly the proportions of a correct diet than any other single food. Milk in its different forms, sweet, sour, and in butter and cheese are important ingredients in most of the dishes placed before the family every day. Served in their simplest form they almost constitute a full meal, and they are necessary in the preparation of the most elaborate menus. Also an occasional fat calf for slaughtering provides a bill of fare which a millionaire would enjoy but cannot always obtain. The cow furnishes food for the tender infant, the strong working man, and the aged and invalid.

Second. One always associates a flock of chickens with the farm. I have never been able to maintain a healthy and producing flock without an abundance of sour milk in the ration. A flock which has access to feed stacks, green pasture and plenty of milk will be profitable.

Third. Hogs are an important side line on a farm. Milk either separated or sour, is pre-eminent in bone and muscle building as well as the fattening food for them. Much less food of other forms is required when they have a milk feed each day.

Fourth. The maintenance of a good cow is not expensive when it is remembered that she can use the feedstuffs produced on the farm and give greater returns than any other means of marketing these same feedstuffs will give.

She takes her apportionment with gratitude each day, and does not harass her master with an uncertain fluctuation market. A consideration of these various benefits derived from the dairy cow will show that she is the connecting link which binds all the other farm projects together in a profitable whole.

Lastly. If there be any surplus of dairy products above that which the inmates of the farm can consume, the housewife who takes a pride in preparing them properly will find a market and a real demand. "The world will beat a path to her door step."

Wallace R. Clark is Continued as Director

Wallace R. Clark was re-elected director of the West Texas Chamber of Commerce at the meeting held in El Paso last week.

Mr. Clark took an active part in the deliberations of the Chamber of Commerce meeting, and was one of those who urged that the Panhandle division not withdraw from the parent organization to start a separate organization.

W. A. Warren represented the Canyon Chamber of Commerce, and was highly pleased at the results of the meeting. He believes that great good was accomplished toward the solidifying of sentiment in West Texas and that the organization will emerge stronger than it has been in the past.

Examinations Held for Lieutenant Company F

Owing to the removal of Gilbert Ridings from Canyon to Amarillo, the office of 2nd Lieutenant of Company F is vacant. Captain Kirk of the regular army was here Tuesday to inspect and instruct examinations to fill the post. All non-commissioned officers took the examination, and the one making the highest grade will receive the appointment.

The quarter pay of the company amounting to \$958.59 was given to members of Company F. Tuesday night.

Captain H. O. Price states that the company is in excellent shape. Sixty-two men are enlisted. He plans to keep the company up to full strength. The company recently moved its armory from the American Legion Club house to the I. O. O. F. building on West Fourth Avenue.

BIRTHDAY AND HALLOWEEN PARTY

Ghosts, Sprites, and Jack O' Lanterns helped to make the home of Mrs. A. W. Blough a scene of merriment when little Miss Mary Blough was given a birthday Halloween party in honor of her ninth birthday.

When the eighteen boys and girls arrived dressed in Halloween costumes they were greeted by odd looking persons dressed in orange and black, who conducted them into dimly lighted rooms where they gave their gifts to the little honoree. Here they played games which were directed by Mrs. Blough, assisted by Misses Floy Rowe, Katie Brauer, Frances Morrow, Frances Holman, and Mattie Lou Harrison. Miss Ada Clare Bain dressed in a yellow costume served apples to the little guests, while Helen Krling of Amarillo entertained them with music at the piano. Then fruit, candies and toys were given to the guests and Mrs. C. A. Higdon presided at the cutting of the cake.

MRS. W. J. THOMAS DIES

Friends were saddened Saturday when they learned of the death of Mrs. Margaret Jane Thomas of Amarillo. Mrs. Thomas came to this county in 1892 and lived in Canyon until several years ago.

She was 85 years old. Funeral services were held Sunday at the Griggs Funeral Home in Amarillo. Her husband Mr. W. J. Thomas died nine years ago.

Mrs. Thomas is survived by two daughters, Mrs. J. R. Gaut, Amarillo, Mrs. E. E. Law, Pueblo, Colo., and one son, C. M. Thomas of Amarillo. She is also survived by an adopted daughter, Mrs. Sarah Coky of Amherst, 22 grand children and 17 great grand children.

MISS MALONE ATTENDING STATE LIBRARY MEETING

Miss Tennessee Malone, head Librarian of the College is in Waco this week attending the annual meeting of the Texas Library Association of which she is a member.

Recently she spent a day in the Panhandle schools assisting in the organization of the high school library there. Law Sone is superintendent of the system at Panhandle.

Captain H. O. Price states that the company is in excellent shape. Sixty-two men are enlisted. He plans to keep the company up to full strength. The company recently moved its army from the American Legion Club house to the I. O. O. F. building on West Fourth Avenue.

BIRTHDAY AND HALLOWEEN PARTY

Ghosts, Sprites, and Jack O' Lanterns helped to make the home of Mrs. A. W. Blough a scene of merriment when little Miss Mary Blough was given a birthday Halloween party in honor of her ninth birthday.

When the eighteen boys and girls arrived dressed in Halloween costumes they were greeted by odd looking persons dressed in orange and black, who conducted them into dimly lighted rooms where they gave their gifts to the little honoree. Here they played games which were directed by Mrs. Blough, assisted by Misses Floy Rowe, Katie Brauer, Frances Morrow, Frances Holman, and Mattie Lou Harrison. Miss Ada Clare Bain dressed in a yellow costume served apples to the little guests, while Helge Krilling of Amarillo entertained them with music at the piano. Then fruit, candies and toys were given to the guests and Mrs. C. A. Higdon presided at the cutting of the cake.

MRS. W. J. THOMAS DIES

Friends were saddened Saturday when they learned of the death of Mrs. Margaret Jane Thomas of Amarillo. Mrs. Thomas came to this county in 1892 and lived in Canyon until several years ago. She was 85 years old. Funeral services were held Sunday at the Griggs Funeral Home in Amarillo.

Her husband Mr. W. J. Thomas died nine years ago. Mrs. Thomas is survived by two daughters, Mrs. J. R. Gaut, Amarillo, Mrs. E. E. Law, Pueblo, Colo., and one son, C. M. Thomas of Amarillo. She is also survived by an adopted daughter, Mrs. Sarah Coky of Amherst, 22 grand children and 17 great grand children.

MISS MALONE ATTENDING STATE LIBRARY MEETING

Miss Tennessee Malone, head Librarian of the College is in Waco this week attending the annual meeting of the Texas Library Association of which she is a member.

Recently she spent a day in the Panhandle schools assisting in the organization of the high school library there. Law Sone is superintendent of the system at Panhandle.

AMARILLO CHRISTIAN ENDEAVOR GIVES PROGRAM

On last Sunday evening seventeen members of the "Flying Squadron" Christian Endeavor of Amarillo came to Canyon and gave a splendid program for the Endeavor young people here. The following program was given:

Leader—Paul Boxwell.
Topic—Worship.
Worship in Song—Raymond Wright.
Scripture—Read by Lavern Detrick.

Solo: "Have Thine Own Way"—Raymond Wright.

Sentence Prayers.
Talks:

"Different Forms of Worship"—Hattie Mae Wood.

"Is Church Membership and Attendance Necessary for True Worship"—Mrs. C. A. James.

"What it means to be a Christian Endeavorer in the Panhandle District"—Bertha Lea Wood.

MRS. MARION DILLON IS POSTMISTRESS AT HAPPY

Mrs. Marion Dillon has been appointed acting postmistress of Happy, succeeding Mrs. Eva Currie, who has been postmistress for the past six years. Mrs. Dillon has been assistant in the Happy Postoffice for the past three years. Mrs. Dillon formerly lived in Canyon and has many friends here who are pleased to hear of her promotion at Happy.

If prisons were fitted up with libraries, center tables, rag carpets, and canary birds, maybe they would look so much like home that people would try to keep out of them.—Cincinnati Times-Star.
